**Jan Pešek**

## **Ked Sme Brali Do Ruk Buducnost:**

**Ked'sme brali do rúk budúcnosť**, 1990      *Revolution with a Human Face* James Krapfl, 2013-10-04 In this social and cultural history of Czechoslovakia's gentle revolution James Krapfl shifts the focus away from elites to ordinary citizens who endeavored from the outbreak of revolution in 1989 to the demise of the Czechoslovak federation in 1992 to establish a new democratic political culture Unique in its balanced coverage of developments in both Czech and Slovak lands including the Hungarian minority of southern Slovakia this book looks beyond Prague and Bratislava to collective action in small towns provincial factories and collective farms Through his broad and deep analysis of workers' declarations student bulletins newspapers film footage and the proceedings of local administrative bodies Krapfl contends that Czechoslovaks rejected Communism not because it was socialist but because it was arbitrarily bureaucratic and inhumane The restoration of a basic humanness in politics and in daily relations among citizens was the central goal of the revolution In the strikes and demonstrations that began in the last weeks of 1989 Krapfl argues citizens forged new symbols and a new symbolic system to reflect the humane democratic and nonviolent community they sought to create Tracing the course of the revolution from early idealistic euphoria through turns to radicalism and ultimately subversive reaction *Revolution with a Human Face* finds in Czechoslovakia's experiences lessons of both inspiration and caution for people in other countries striving to democratize their governments      Historical Reflections on Central Europe Stanislav J. Kirschbaum, 1999-04-12 This valuable collection of essays makes a scholarly contribution to our knowledge of Central and Eastern European history With ground breaking contributions from international scholars such as Philip Longworth and Piotr Gorecki this volume is an essential text for anyone studying or generally interested in understanding the development of the post Communist world      **Framing Democracy** John K. Glenn, 2003-08-01 In 1989 newly formed civic movements replaced long standing Leninist regimes in Eastern Europe with democratic governments This book addresses such questions as how similar were the Leninist regimes before their dissolution how similar were their demises and ultimate outcome How did the way communism fell affect the founding of democracies in Eastern Europe notably in Poland and Czechoslovakia      1989 the Final Curtain Piotr Głogowski, 2009      **Revolution and Resistance in Eastern Europe** Matthew Stibbe, Kevin McDermott, 2006-10-01 The history of Eastern Europe during the Cold War is one punctuated by protest and rebellion *Revolution and Resistance in Eastern Europe* covers these flashpoints from the Stalin Tito split of 1948 to the dramatic collapse of the Berlin Wall in 1989 Covering East Germany Czechoslovakia Hungary Yugoslavia Poland and Romania the authors provide comprehensive critical analysis of the varying forms of dissent in the East European socialist states They take a comparative approach and show how the different movements affected one another Incorporating archival material only accessible since 1989 they discuss issues such as the diverse manifestations of non conformity among different strata of the population the complex relationship between Moscow and the national Communist Parties the loosening of Soviet control after 1985 and everyday resistance to

state authority This book offers a firm grounding in the tumultuous decades of communist rule which is essential to understanding the contemporary politics of Eastern Europe Kosmas ,2001 *Slovenské pohľady na literatúru, umenie a život* ,1887 **Whose Critical Thinking? Political Processes and Regimes of Voice in Western Slovakia, 1948-2005** Jonathan L. Larson,2007 Wilder Osten oder Herz Europas? Simon Gruber,2010 English summary The aim of this book is to identify the role of the EU in the consolidation of democracy in Slovakia during the 1990s The first chapter explores the concept of Europe in Slovak politics In Slovakia Europe was used as a rhetorical tool by all political forces The relationship between Slovakia and the EU institutions and member states is analyzed in the second chapter Inside the EU there initially was much insecurity about the development of Slovakia But the disastrous results in terms of democracy and rule of law of the Meciar government made the decision of 1997 not to start the accession negotiations largely uncontroversial The last chapter deals with the EU s part in Slovakia s democratic consolidation EU integration was a hotly discussed topic in the run up of the 1998 s parliamentary elections Slovakia s failing in the integration process fueled growing concerns that Slovakia might not be able to catch up with the West Among the used sources are documents from the diplomatic archive of the Slovak ministry of foreign affairs and the author s own interviews with some of the involved persons The author argues that the EU thanks to its huge prestige in Slovakia helped significantly to get rid of the authoritarian tendencies German text German description Fur die neuen Demokratien Ostmitteleuropas stellte Europa verkorpert durch die Europäische Union einen massgeblichen normativen Bezugspunkt in den Wirren der Transformation dar Im Fall der Slowakei wirkte die EU in den 1990er Jahren sogar als wichtigste externe Instanz welche die gefährdete Demokratie zu bewahren half Der slowakische Diskurs über Europa und die europäischen Werte bot den geeigneten Boden damit das Engagement der EU Institutionen Wirkungen entfalten konnte Ausgehend von erstmalig ausgewerteten diplomatischen Quellen zeigt dieses Buch wie intensiv und teilweise widersprüchlich die Versuche der europäischen Institutionen zur Beeinflussung des politischen Prozesses in der Slowakei waren Heftige Polemik unter den slowakischen politischen Eliten denen Europa als Legitimationsressource diente war die Folge Gleichzeitig fand eine Klärung statt welche Mittel im politischen Prozess erlaubt waren und wo die Schwelle zum Autoritarismus lag Hier wird die These vertreten dass der beinahe einhellige Wunsch der slowakischen Bürger nach Zugehörigkeit zu Westeuropa in Verbindung mit der Einmischung der EU die Demokratie in der Slowakei rettete November 1989 a Slovensko Jozef Žatkuliak,1999 Kľukatá cesta Slovenska k democii Soňa Szomolányi,1999 Historický časopis ,1992 **Na zapadákové nič nového** Valér Mikula,1999 **Odklíňanie** Martin Bútora,2004 **Slovenská národná bibliografia** ,1990 **Čas stretnutí** František Mikloško,1996 Novembrová revolúcia a česko-slovenský rozchod Viera Hlavová,Jozef Žatkuliak,2002 **Plakáty Sametové revoluce** Filip Blažek,2009 **November 1989 na Slovensku** Jan Pešek,1999
