Keel Kissing Botton:

Keel Kissing Bottom Elizabeth De Freitas,1998 With a writing style reminiscent of Annie Proulx Susan Swan and Tom Robbins Elizabeth de Freitas is a truly beguiling writer with a sharp nose for the absurd and a gift for lush lyrical prose Darkly humorous Keel Kissing Bottom is a quirky and magical tale of the desperate ways in which we all attempt to subvert the laws of love

Deleuze and Guattari, Politics and Education Matthew Carlin,Jason Wallin,2014-05-22 Deleuze Guattari Politics and Education mobilizes Deleuzian Guattarian philosophy as a revolutionary alternative to the lingering forms of transcendence identity politics and nihilism endemic to Western thought Operationalizing Deleuze and Guattari s challenge to contemporary philosophy this book presents their view as a revolutionary alternative to the lingering forms of transcendence identity politics and nihilism endemic to the current state of Western formal education This book offers an experimental approach to theorizing creating an entirely new way for educational theorists to approach their work as the task of revolutionizing life itself Examining new conceptual resources for grappling with and mapping a sustainable political alternative to the cliché s that saturate contemporary educational theory this collection of essays works toward extracting a genuine image of education and learning that exists in sharp contrast to both the neo liberal educational project and the critical pedagogical tradition

Fiction as Research Practice Patricia Leavy,2016-06-16 The turn to fiction as a social research practice is a natural extension of what many researchers and writers have long been doing Patricia Leavy a widely published qualitative researcher and a novelist explores the overlaps and intersections between these two ways of understanding and describing human experience She demonstrates the validity of literary experimentation to the qualitative researcher and how to incorporate these practices into research projects Five short stories and excerpts from novellas and novels show these methods in action This book is an essential methodological introduction for those interested in studying or practicing arts based research
