Keeneland A Halfcentury Of Racing:

Keeneland William F. Reed, William Strode, 1985-06-01 Committed to Victory Richard Holl, 2015-10-09 Deeply researched and clearly written a wide ranging and detailed account of Kentucky's society economy and politics during World War II John W Jeffries author of *Wartime America* When World War II broke out in Europe in September 1939 Kentucky was still plagued by the Great Depression Even though the inevitability of war had become increasingly apparent earlier that year the citizens of the Commonwealth continued to view foreign affairs as a lesser concern compared to issues such as the lingering economic depression the approaching planting season and the upcoming gubernatorial race It was only the Japanese attack on Pearl Harbor that destroyed any lingering illusions of peace In *Committed to Victory* The Kentucky Home Front During World War II author Richard Holl offers the first comprehensive examination of the Commonwealth's civilian sector during this pivotal era in the state's history National mobilization efforts rapidly created centers of war production and activity in Louisville Paducah and Richmond producing new economic prosperity in the struggling region The war effort also spurred significant societal changes including the emergence of female and minority workforces in the state In the Bluegrass this trend found its face in Pulaski County native Rose Will Monroe who was discovered as she assembled B 24 and B 29 bombers and was cast as Rosie the Riveter in films supporting the war effort Revealing the struggles and triumphs of civilians during World War II Holl illuminates the personal costs of the war the black market for rationed foods and products and even the inspiration that coach Adolph Rupp and the University of Kentucky basketball team offered to a struggling state

stories and present statistics from the pre NYRA years and a rundown of the greatest fields assembled at America's oldest track As the subtitle promises the book consists of unexpected tales regarding Saratoga people horses and happenings things that even certain racing historians had no previous clue about Kane and Carter are uniquely well equipped to guide readers down this curious road less traveled Mary Simon Daily Racing Forum **Thoroughbred Champions** Blood-Horse, Inc,1999 Follows The Blood Horse's Top 100 list beginning with Man o War in the No 1 spot and ending with Blue Larkspur at No 100

Headless Horsemen Jim Squires,2025-06-25 For fans concerned about the future of horse racing a well told cautionary tale about greed and willful inattention Kirkus An insider's stunning account of the corrupt practices that threaten both the horses and the game an engrossing read Minneapolis Star Tribune Jim Squires was in trouble He was in the horse business an enterprise seemingly intent on committing suicide led over the cliff by visionless leaders A clannish group called the Dinnies had long refused to share power as vast overproduction and unbridled greed created a subprime like bubble in the market Overpriced animals of dubious quality and drug enhanced performance on the track were undermining the integrity of competition and ultimately the very breed itself With its economic model broken its tawdry sales practices under attack and its public image in tatters the sport was overdue for a reckoning Headless Horsemen is Squires's critique of what is happening to the sport and the animals he loves as he and a small group of unlikely heroes agitate for a return to fair dealing
