**Better Safe Than Sorry** Norah MacKendrick, 2018-05 How toxic are the products we consume on a daily basis Whether it's triclosan in toothpaste formaldehyde in baby shampoo endocrine disruptors in water bottles or pesticides on strawberries chemicals in food and personal care products are of increasing concern to consumers This book chronicles how ordinary people try to avoid exposure to toxics in grocery store aisles using the practice of

precautionary consumption Through an innovative analysis of environmental regulation the advocacy work of environmental health groups the expansion of the health food chain Whole Foods Market and interviews with consumers Norah MacKendrick ponders why the problem of toxics in the U S retail landscape has been left to individual shoppers and to mothers in particular She reveals how precautionary consumption or green shopping is a costly and time intensive practice one that is connected to cultural ideas of femininity and good motherhood but is also most available to upper and middle class households Better Safe Than Sorry powerfully argues that precautionary consumption places a heavy and unfair burden of labor on women and does little to advance environmental justice or mitigate risk      **How to Defend Your Family and**

**Home** Dave Young,2017-06-06 Renowned defense instructor Dave Young teaches police and military units self defense and home defense tactics his book How to Defend Your Family and Home puts this long overdue information into the hands of civilians so they can protect themselves before police arrive on the scene Learn the psychology of a home invader how they select targets and what you can do to keep them out If a stranger knocks at the door learn what to look for to know if they re a threat and how to guard the entry so they can t get in If you hear a bump in the night Dave teaches how to know if it s an invader in your home and exactly what to do to ensure the survival of you and your family members The book covers mental strength as well as escape tactics hiding places and physical self defense tactics if you have to fight the threat Though guns should be used only as an absolute last resort many of the book s readers undoubtedly have guns in their homes so Dave touches on how to use one safely in an intense emotional situation With seemingly more violent acts happening around the world and controversial stories of police on the news more people are choosing to take their safety into their own hands This book shows them how with tips tactics information and 60 photos that teach life saving defense techniques to the everyday homeowner      Weekly World News ,1993-04-06 Rooted in the creative success of over 30 years of supermarket tabloid
