Copeland, 2017-12-22 What s the biggest problem on anyone s homestead Staying organized and motivated That s why I designed this two year homestead organizer and journal that helps homesteaders stay on track That s right use this journal and record book for two years It s simple at the start of every year map out your homestead each month write down your major month goals and then use the journal to keep track of the following 1 Homestead Animals Keep track of births problems homestead animal products harvested including eggs meat honey and milk 2 Homestead Garden and Orchards keep track of when and what you plant when you should harvest and how much 3 Nature events keep track of wildlife visitors astronomical events and wild plants 4 Construction Projects every homestead will build Keep track of your projects here 5 Weather use online weather sites to record your monthly highs and lows and precipitation 6 Homestead goods and crafts keep track of any homestead products made including canning dehydration of food any other products 7 Reflection at the end of every month its reflection time What did you learn what will you change in the future 8 And More So you want to homestead Or maybe you have been homesteading and just can t stay organized You seem to start projects and never finish them or maybe you just can t keep track of your achievements or special homestead moments Well then this homestead organizer and journal was made for you It is short and simple and you can use the journal for the entire year to keep track of your homestead The journal is organized by month and you can start your homestead journey at any time not just the start of the year As a fellow homesteader I know that life is busy and there s not a lot of time at the end of the day That s why I made it simple Every month you only need to complete two detailed pages about your homestead to stay organized Keep track of the following
