The Alternative Plan Pauline Adongo,2020-12-04 God intends everyone to be successful in life according to His plan and destiny for each person He wants our lives to shine with His love and glory The Alternative Plan is my testimony Even though I was a renegade God restored me after I had spent years running away from Him to pursue an independent life The early influences that shaped my outlook on life were based on poverty a fear of failure and a need for affirmation security and love As a backslider I relied heavily on my intellect rationale and professional accolades to succeed I spent years wearily pursuing an empty meaningless lifestyle based on ambition self reliance and self focus But the Lord in His goodness and mercy led me through many difficulties to a secure place of complete trust in His lordship No matter how many mistakes you

have made or how far you have walked away from the Lord God has not changed His plans for you God can still realign your life to fit the plan He intended for you All age groups and young immigrants can benefit from my story Culture shock and the sometimes fast paced high pressure business world can certainly present a challenge of faith to newcomers trying to find their way in a new country This book is for those who feel trapped those who feel like they have lost themselves or were disappointed in their search for success security and stability The optimum path to success is Jesus Christ This book is a testimony of how God s mercy and love powerfully pursued and fully restored me If God can do this for me He can do the same for you **The Gardeners' Chronicle** ,1919 *Gardeners' Chronicle* ,1919 **Covenant Works** T.
