Maxwell, 1995-02-22 Why do some people achieve great personal success yet never succeed in building a business or making an impact in their organization John C Maxwell knows the answer According to Maxwell the greatest leadership principle that he has ever learned in over thirty five years of leadership is that those closest to the leader will determine the success level of that leader It's not enough for a leader to have vision energy drive and conviction If you want to see your dream come to fruition you must learn how to develop the leaders around you Whether you're the leader of a non profit organization small business or Fortune 500 company *Developing the Leaders Around You* can help you to take others to the limits of their potential and your organization to a whole new level Learn how to Create an environment for potential leaders Identify and nurture future leaders Equip and develop leaders Form a dream team of leaders **Soldiers**, 1983

The Complete 101 Collection John C. Maxwell, 2012-04-09 Discusses eight fundamentals needed for leadership including attitude relationships mentoring and more **Keeping Good People** Roger E. Herman, 1998-03 Love 'Em or Lose 'Em, Sixth Edition Beverly Kaye, Sharon Jordan-Evans, 2021-03-02 This sixth edition of the number one bestselling employee retention book in the world over 800 000 copies sold puts a new emphasis on diversity and inclusion but keeps the same appealing format twenty six simple strategies from A to Z Despite booms and busts technology advances talent wars layoffs and even a global pandemic people want what they've always wanted Employees want and now expect meaningful work supportive bosses regular recognition and a chance to learn and grow And managers want their amazing people to stay for at least a little while longer For two decades this Wall Street Journal bestseller over 800 000 sold has offered twenty six simple strategies from A to Z that managers can use to address their employees real concerns and keep them engaged The authors have gone over every word of the previous edition revising updating and streamlining This edition includes a timely focus on diversity and inclusion in every chapter For example chapter 6 focuses on family Different cultures view family

responsibilities differently so the authors address how to take that into consideration when a treasured employee asks for extended leave to care for a grandparent And a new section called Conversations That Count offers discussion questions for sparking deeper conversation around the topics in the book This new edition will ensure that Love Em or Lose Em will continue to help managers all over the world create a supportive workplace culture so they can fight burnout and keep the people they can least afford to lose
