*The Kelowna Story* Sharron J. Simpson, 2025-05-06 The new paperback edition of this excellent illustrated history includes additional information about recent developments up to 2025 The Kelowna Story is a comprehensive full length history of the largest metropolitan centre outside BC s Lower Mainland a labour of love by a leading local historian whose family roots have been entwined with Kelowna s for five generations It embraces the full sweep of central Okanagan history starting with the days of the S Ooekanhkchinx who enjoyed a largely peaceful existence along the shores of the lakes and rivers before the earliest explorers came to trade followed by Father Pandosy and his Okanagan Mission in 1859 It was the mission that attracted Kelowna s first homesteaders soon followed by cattle ranchers and orchardists and much later by the empire builders like the Bennett family who paved the way for today s budding metropolis Author Sharron J Simpson believes history is best told through the stories of ordinary people while allowing today s readers may not think it ordinary to walk over mountain ranges to collect mail or consider it ordinary to climb into a narrow irrigation pipe to scrape the rust off the inside as it runs up and down the hillsides or to row freight from one end of Okanagan Lake to the other In their time she writes those who did extraordinary things were simply doing what needed to be done to get ahead Their stories are fascinating and tell of the remarkable investment early settlers made in this community Simpson tells the story of her hometown with an attention to detail and a passion for narrative that bespeaks her own considerable talent and deep commitment

**The Canadian Patent Office Record and Register of Copyrights and Trade Marks**, 1910 **The Survival Guide to British Columbia** Ian Ferguson, 2019-10-15 A completely satirical yet oddly practical guide to surviving and thriving in Canada s westernmost province So you ve arrived in British Columbia Perhaps you re just passing through perhaps you want to stay a while You may even be contemplating making British Columbia your home What you need is a well researched clearly written and comprehensive guide to living and even prospering in Canada s westernmost province This isn t it However the information contained in this book will allow you to experience British Columbia with minimal damage to your health and well being Having lived in nearly every province in the country before settling in BC Ian Ferguson can say with great authority that things work differently here So differently in fact that visitors and newcomers from other parts of Canada may put themselves in physical or social peril if they try to dress act drive work vote or socialize in the same ways as they would in Ontario New Brunswick or god forbid Alberta With practical advice little known facts and personal anecdotes Ferguson tackles everything from how to recognize a local and differentiate the various types of facial hair that delineate the male British Columbian to how to survive both natural and unnatural disasters whether it s a light dusting of snow on the southern tip of Vancouver Island or a full blown hockey riot to how BC has been governed through the ages like the time a

bootlegger was put in charge of prohibition Illuminating hilarious and only mildly offensive if you have no sense of humour The Survival Guide to British Columbia will make you question why you ever came here in the first place Canada to-day ...,1912 **The Changing Image of Affordable Housing** Ulduz Maschaykh,2016-03-09 Illustrated by a range of case studies of affordable housing options in Canada this book examines the liveability and affordability of twenty first century residential architecture Focussing on the architects and communities commitment to these housing programmes as well as that of the private building sector it stresses the importance of the context of the neighbourhoods in which they are placed which are either in the process of urban transition or already gentrified In doing so the book shows how and to what extent twenty first century dwelling architecture developments can help to create an integrated sense of community diminish social and demographic exclusions in a neighbourhood and incorporate people s desires as to what their buildings should look like This book shows that there are significant architectural projects that help to meet the needs and desires of low to middle income households as well as homeowners and that gentrification does not necessarily lead to the displacement of low income families and singles if housing policies such as those highlighted in this book are put into place Moreover the migration of the middle class can result in a healthy mix of classes out of which everyone can enjoy a peaceful and habitable coexistence Scientific Canadian Mechanics' Magazine and Patent Office Record Canada. Mofford,2023-05-31 A fully illustrated social history profiling forty historic hotels spread over five regions of the southern interior of British Columbia covering the time period of the 1890s to 1950s Room at the Inn reveals the long forgotten histories of British Columbia s early hospitality industry through the riveting stories of the men and women who built ran and frequented hotels hostelries resorts and roadhouses in the southern Interior From the Similkameen town of Keremeos to Spences Bridge at the confluence of the Thompson and Nicola Rivers east to the Alberta border along the Trans Canada Highway and south to the Canada US border the history of these hotels mirrors the history of BC s mining towns and boom bust economy of the late nineteenth and early twentieth centuries as waves of prospectors settlers and eventually tourists shaped the culture of the province that we know today Of the forty historic hotels profiled in this book all contributed to their communities in various ways They provided more than just a roof over the heads of weary travellers they were often the sites of live entertainment places where community members could meet and socialize Some even doubled as makeshift hospitals during wildfires and floods Through colourful anecdotes meticulous research and fascinating archival photography Room at the Inn transports readers to a bygone era and pays tribute to the pioneers entrepreneurs and hard work men and women who built and operated these historic accommodations Mercantile Navy List and Maritime Directory ,1919 White Space Daniel J. Keyes,Luis L.M. Aguiar,2021-12-15 Much attention has been paid to race in the Canadian metropolis but how are the workings of whiteness

manifested in the rural urban White Space analyzes the dominance of whiteness in the Okanagan Valley of British Columbia to expose how this racial notion sustains forms of settler privilege today Contributors to this perceptive collection critique the cultural economics of whiteness and white supremacy The first half documents the historical construction of whiteness how settlers and their ancestors have sought to exalt pioneers by erasing non whites from the region s heritage while Indigenous people resist this white out The second half explores the persistence of whiteness as an organizing principle in the neoliberal deindustrialized present White Space moves beyond appraising whiteness as if it were a solid and unshakable category Instead it offers a powerful demonstration of how the concept can be re envisioned resisted and reshaped in contexts of economic change      *United States Food Products Directory, the Blue Book of Food Packers and Distributors* ,1927
