Fiction 2007 ,2008-02 *Travels in Paradox* Claudio Minca,Tim Oakes,2006-03-30 This innovative volume focuses on tourism through the twin lenses of cultural theory and cultural geography Presenting a set of innovative case studies on tourist destinations around the world the contributors explore the paradoxes of the tourist experience and the implications of these paradoxes for our broader understanding of the problems of modernity and identity The book examines how tourism reveals the paradoxical ways that places are both mobile and rooted real and fake inhabited by those who are simultaneously insiders and outsiders and both subjectively experienced and objectively viewed The concepts of travel and mobility long have been used to explain modern identity and social behavior but this work pushes beyond the established literature by considering the ways that place and mobility are inherently related in unexpected even contradictory ways Travel the international cast of authors contends occurs in place rather than between places Thus instead of offering yet another interpretation of the ways modern societies are distinguished by their mobilities in contrast to the supposed place bound quality of traditional societies the chapters here collectively argue for an understanding of modern identity as simultaneously grounded and mobile This rich blend of empirical and theoretical analysis will be invaluable for cultural geographers anthropologists and sociologists of tourism **Forever Romance Box Set** Allyson Charles,2023-07-28 **MUST LOVE DOGS** The Forever Romance series is small town romance for people who love hot men feisty women and the four legged friends who bring them together Each full length novel is connected but can be read as a standalone **FOREVER HOME** If Bradley had a dating philosophy that would be it He learned early in life not to take the little things for granted Carpe diem is more than just a motto to him it s the standard by which he lives his life Isabelle hasn t met a plan she doesn t like and getting involved with Brad and his rescue shelter full of misfit mutts isn t in her schedule Between her job and her young daughter she doesn t have time to indulge in puppy love But when she ends up in a pooch predicament she and Brad can t help getting their leashes tangled Long walks lead to longer kisses Before Izzy knows it she s making new plans ones that include a house full of squeaky toys and candlelit dinners But when she learns a trade secret that threatens the existence of Brad s beloved shelter she ll have to choose between doing what s right for her career or doing what s right for her and Brad Animal attraction might have lit the fire of this relationship but if it has any chance of surviving Brad and Izzy are both going to have to learn some new tricks **Forever Home** is a must read for those who love small town opposites attract romances filled with heat and furball humor It s perfect for fans of Roxanne St Clair and Jill Shalvis **FOREVER FOUND** Gabe has always preferred dogs over people This grumpy veterinarian might have the magic touch with his four legged friends but animals of the human variety he doesn t much tolerate Especially the perky socialite who keeps at him like a dog with a bone Even though she saved the Forever Friends animal shelter Marla can t catch a break with the sexy vet who haunts her dreams If he s looking at her he s scowling She tells herself she doesn t need the approval of a man nearly a decade younger than her She just can t understand why his disapproval hurts so much But when Marla uncovers an illegal dog fighting operation Gabe will do

whatever it takes to protect her and save the ill treated dogs And Marla will discover that his grumpy scowls might have been hiding something other than hate something that looks a whole lot like love Forever Found is a must read for people who love small town older woman younger man and grumpy sunny romances filled with heat and furball humor FOREVER WILD Dax is no stranger to trouble If he isn't stirring it up he's sniffing it out faster than a bloodhound does a bone But even his limits are tested when he finds a beautiful woman hiding in the back of his van She's the only person who can out-crazy his best efforts She's frustrating sexy and the one thing standing between him and his dreams Lissa goes where the wind takes her but this time her spontaneity has put a target on her back On the run she thinks Dax and his band of rescue dogs just might be the only way to put her pursuers off the scent Getting attached can only lead to trouble but Dax and Lissa can't fight their animal attraction Somewhere along the way Dax's priorities change from keeping Lissa safe to just keeping her period But love doesn't come without sacrifice Dax might love a challenge but Lissa might be more than he can handle Forever Wild is a must read for people who love small towns a free spirited heroine who's nothing but trouble and romances filled with heat and furball humor

Poenamo John Logan Campbell, 1881 *Gambling, Space, and Time* Pauliina Raento, David G. Schwartz, 2016-02-28 The eight essays in *Gambling Space and Time* use a global and interdisciplinary approach to examine two significant areas of gambling studies that have not been widely explored the ever-changing boundaries that divide and organize gambling spaces and the culture's perceptions and emotions related to gambling The contributors represent a variety of disciplines history geography sociology anthropology political science and law The essays consider such topics as the impact of technological advances on gambling activities the role of the nation state in the gambling industry and the ways that cultural and moral values influence the availability of gambling and the behavior of gamblers The case studies offer rich new insights into a gambling industry that is both a global phenomenon and a powerful engine of local change
