Kentucky Moonshine:

Kentucky Moonshine David W. Maurer, Quinn Pearl, 1974-01-01 Examines the history and art of distilling as well as the equipment used by and the law's attitude toward the Kentucky moonshiner Kentucky Moonshine David W. Maurer, Quinn Pearl, When the first American tax on distilled spirits was established in 1791 violence broke out in Pennsylvania The resulting Whiskey Rebellion sent hundreds of families down the Ohio River by flatboat stills on board to settle anew in the fertile bottomlands of Kentucky Here they used cold limestone spring water to make bourbon and found that corn produced even better yields of whiskey than rye Thus the licit and illicit branches of the distilling industry grew up side by side in the state This is the story of the illicit side the moonshiners craft and crafts manship as practiced in Kentucky A glossary of moonshiner argot sheds light on such colorful terms as puker slop and weed monkey David W Maurer's tone is tongue in cheek but he provides a realistic look at the Kentucky moonshiner and the moonshining industry **Illegal Odyssey** Betty Boles Ellison, 2003-10-29 Every person is unique At least we believe ourselves to be Many of us have a heightened sexuality With the latter group a common denominator must exist in the pulsating intensity and grinding confusion I have found in the rollercoaster ride which has been my sex life As a homosexual man who has breathed in more than half of the 20th and the beginning of the 21st Centuries I have experienced some privileged moments always with the knowledge of being a man set apart mostly because I am a Queer Looking back on my life I recognize it as a rich tapestry of favourable experiences my work as a successful hairdresser in the film industry in Toronto with celebrity acquaintances my family my friends my pets home music travel and my lovers Well the lovers don't all fall into the success category but do add colour to the picture Because of the dark wings of Depression which have hovered over me throughout much of my life the element of Joy has been elusive in spite of a splendid endowment of entitlement or plain old fashioned good luck bestowed on me by Fate My addiction to the pursuit of sexual gratification which has ruled my social patterns and actions since I was a child is all part of the story Sometimes I think it is my story The Kentucky Encyclopedia John E. Kleber, 2014-10-17 The Kentucky Encyclopedia's 2 000 plus entries are the work of more than five hundred writers Their subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today's headlines recording Kentuckians achievements in art architecture business education politics religion science and sports Biographical sketches portray all of Kentucky's governors and U S senators as well as note congressmen and state and local politicians Kentucky's impact on the national scene is registered in the lives of such figures as Carry Nation Henry Clay Louis Brandeis and Alben Barkley The commonwealth's high range from writers Harriette Arnow and Jesse Stuart reformers Laura Clay and Mary Breckinridge and civil rights leaders Whitney Young Jr and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn Merle Travis and the Everly Brothers Entries describe each county and county seat and each community with a population above 2 500 Broad overview articles examine such topics as agriculture segregation transportation literature and
