Ketchup Deal:

The Ketchup Deal Janice Marriott, 2000 Since the Disaster the Superskaters have lived in supermarkets munching their way through expired stock and collecting useful junk to keep their electrical appliances working But now the last supermarket s almost used up Back cover Suggested level primary Couponing for the Rest of Us Kasey Knight Trenum, 2013-05-01 Not everyone is an extreme couponer Most of us just want to save some money not let clipping coupons and scouring the internet for deals take over our lives For all the savvy shoppers out there Kasey Knight Trenum has written Couponing for the Rest of Us She knows that money is tight food prices are going up gas prices are closing in on unbearable and people have better things to do than spend every spare minute if they have any obsessing over costs and coupons She also knows coupons just happen to be a tool that can save a family hundreds of dollars every month and ultimately improve a family s finances and its future Couponing for the Rest of Us shows readers where to find coupons for what your family eats how to make the internet do the work for you how to find sale cycles and store match ups and what those terms mean how to reinvent your shopping strategy and toss your lists how to make grocery shopping less stressful even fun how to turn money saved into money shared and much more If readers want to save money and time this book is a gold mine **Authentic Writing** Jeffrey Rice, 2021-04-20 In typical academic circles texts must be critiqued mined for the obfuscated meanings they hide and shown to reveal larger broader meanings than what are initially evident To engage in this type of writing is to perform an authentic version of scholarship But what if a scholar chooses instead to write without critique What if they write about travelling their children food grocery shopping frozen garlic bread sandwiches condiments falafel yoga and moments that normally wouldn t be considered scholarly Can the writing still be scholarly Can scholarly writing be authentic if its topics comprise the everyday In Authentic Writing Jeff Rice uses this question to trace a position regarding critique the role of the scholar the role of the personal in scholarship the banal as subject matter and the idea of authenticity He explores authenticity as a writing issue a rhetorical issue a consumption issue a culture issue and an ideological issue Rather than arguing for a more authentic state or practice Rice examines the rhetorical features of authenticity in order to expand the focus of scholarship Wicked Power DelSheree Gladden, 2023-12-29 Vanessa and Zander Roth sit balanced on the edge of impending death and unthinkable power Their enemies hide waiting for their chance to strike while Vanessa and Zander are forced into the ranks of the Godlings Even though David s brutal training is indeed improving their control his methods are cruel and harsh Van struggles to survive his torment while Zander embraces it Full control of his power is his only hope of redeeming himself The situation for Van worsens when her always reliable intuition strengthens into frightening visions that leave her fearful of Zander s future She is desperate to protect her brother but her sixteenth birthday and the eruption of the full strength of her hunger demands her full focus Redemption and protection both take a backseat when a shocking discovery puts everything they ve worked for in jeopardy The choice between safety and freedom has never been more

important but the ability to choose is fading fast *California Grocers Advocate* ,1909 *The Pharmacist* ,1876
