## Key And Allied Families:

**Key and Allied Families** Julian C. Lane, 2009-06 This work concentrates upon families with a strong connection to Virginia and Kentucky most of which are traced forward from the eighteenth if not the seventeenth century The compiler makes ample use of published sources some extent original records and the recollections of the oldest living members of a number of the families covered Finally The essays reflect a balanced mixture of genealogy and biography which makes for interesting reading and a substantial number of linkages between as many as six generations of family members *Key and Allied Families* Julian C. Lane, 1931 Key and Allied Families Janie Warren Hollingsworth Lane, 2008 **Key and Garner and Allied Families** Maurine Garner Key, 1991 Key and Allied Families Janie Warren Hollingsworth Lane, 1931 **The Family of John Key, Sr** Marcus M. Key (Jr.), 1950 *Boddie and Allied Families* John Thomas Boddie, John Bennett Boddie, 1918 William Boddy 1634 1635 1717 immigrated from England to Isle of Wight County Virginia during or before 1661 and married three times probably once in England Other early Boddy immigrants are listed William spelled his surname Boddy but many records in early Virginia record the surname as Body Bodye Bodie etc Descendants and relatives lived in Virginia Kentucky Indiana North Carolina Alabama Mississippi Texas and elsewhere Includes records of various ancestors in England Scotland and elsewhere to the early 1400s "Reunited --- *The Famous Key Family of Colonial Virginia*" Gene C. Key, 2014-04-11 In 1931 Julian C Lane published a book on the history of the Key Family titled *Key and Allied Families* Her work has been considered to be the basis for many Key Family Histories since that time However she had many inaccurate family connections One is led to believe that all of the Key families of the early colonial times were related Such however is not true She also tends to link the Moses Key Family in Pennsylvania and the family of Frances Scott Key as all being related to the Keys of Colonial Virginia Present day DNA testing of the Male Y Chromosome has proven that these three families are not even remotely related Julian C Lane simply compiled family histories that were sent to her and in some cases she mistakenly linked some together However considering that she did not have the present day tools of research and the computer she did the best that she could do I was able to find valuable information about my family line through her book I must say that I would have had a hard time find who my Chesterfield County South Carolina ancestors were if it had not been for Julian C Lane This work *Reunited The Famous Key Family of Colonial Virginia* will deal only with the descendants of John Key who arrived in 1668 There will be another book at a later date that will include the other Key Families This is a four volume set

with the index being in volume four Seventeen hundred plus pages is simply too many pages for even a two volume set One needs to obtain all four volumes in order to have the complete genealogy Let me say also that John Key of 1668 has well more than 250 000 descendants today It is then impossible to list them all The value of this work and of any other genealogy is not just being able to find your name listed As you work your way back in your ancestors however you will likely find how your Key Family links to the Keys of Virginia That will be the real value of this genealogy **Last Will and Testament of Philip Key, with Notes on the Key and Allied Families** William Thompson Key,1897 *The Carmichael Clan, Westbrook, and Allied Families* Opal Carmichael Phoenix,1963 Daniel Carmichael was born in 1736 in Scotland He immigrated to Richmond Co North Carolina in 1789 married twice and died in 1822 Includes Hunter Walker Young and related families

*Descendants of Edward Small of New England, and the Allied Families, with Tracings of English Ancestry* Lora Altine Woodbury Underhill,1910 Edward Small emigrated from England to Maine during or before 1640 and died after 1653

Descendants lived in New England New York the rest of the United States and elsewhere *The Semmes and Allied Families* Mrs. Lydia Brome Brown,1918 "Reunited --- The Famous Key Family of Colonial Virginia" Gene C.
