Indwelling Presence:

God's Indwelling Presence James M. Hamilton, Jr., James M. Hamilton, 2006 This first volume in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE AND THEOLOGY series addresses the Holy Spirit and related differences and similarities between Old Testament and New Testament believers **His Indwelling Presence** Norman Baldwin

Harrison, 1928 *God's Praise and God's Presence* Gabriele G. Braun, 2020-06-19 The main aim of this book is to provide an answer to the question is there a connection between God's people's praise and God's presence The central argument is that Scripture in both Testaments testifies to a correlation between human praise and divine presence This hypothesis has been investigated in the light of contemporary Christian worship culture and the ensuing need for further biblical studies which represents the background for this investigation The study achieves the above aim by applying biblical theology as a discipline and canonical and intertextual models as a method God's Relational Presence J. Scott Duvall, J. Daniel

Hays, 2019-11-19 Two leading biblical scholars and bestselling authors offer a fresh approach to the question of the unity of the whole Bible This book shows that God's desire to be with his people is a thread running from Genesis through Revelation Duvall and Hays make the case that God's relational presence is central to the Bible's grand narrative It is the cohesive center that drives the whole biblical story and ties together other important biblical themes such as covenant kingdom glory and salvation history *God on Fire* Fred Hartley, 2013-01-15 As believers we are more alive in the middle of God's white

hot presence than anywhere else on earth The history of revival is often studied from man's perspective what we do to encounter God *God on Fire* explores what God does to encounter us The Eucharist: Mystery of Presence, Sacrifice, and Communion Lawrence Feingold, 2018-04-01 The Eucharist Mystery of Presence Sacrifice and Communion explores the three ends of the Sacrament of Sacraments God's true presence His redemptive sacrifice and spiritual nourishment through communion with Him In this follow up to his groundbreaking work *Faith Comes From What Is Heard* Lawrence Feingold constructs a biblical vision of the Eucharist from its prefigurement in the Old Testament to its fulfillment in the New and presents the Eucharistic theology of the Church Fathers St Thomas Aquinas and magisterial teaching from centuries past through today The Eucharist is a masterful text both challenging and spiritually rich that comprehensively examines the unspeakable mystery that is the Eucharist **Thirty Days in God's Presence** David L. Mathewson, Jennifer J.

Fitzgerald, 2024-05-28 The purpose of this book is to provide a devotional resource that will lead readers into a personal encounter with God's presence It is meant to help the reader connect the head and the heart This book is organized around 30 readings that will take you through an entire month Each reading one for each day of a month consists of a detailed study of a biblical passage From the Head followed by a devotional application based on that passage To the Heart The book both traces the theme of God's presence throughout Scripture but focuses on engaging God's presence at a personal level The goal is that you practice encountering the presence of God *The Tabernacled Presence of God* Susan Booth, 2015-09-18

Although a large majority of believers agree that they should share their faith most report that they in fact do not That s not really all that surprising given today s pluralistic cultural setting But maybe this same culture s longing for transcendence community and a place to call home points to a backstory that makes sense of it all If such a narrative exists it deserves a hearing and those who know and live this story have both the responsibility and privilege of sharing its message of hope The narrative of the Bible tells just such a story where God s purpose from the beginning has been to dwell or tabernacle in the midst of the people he has created This book traces the theme of God s tabernacling presence across Scripture reading the story afresh through a missional lens in order to gain insights for mission and gospel witness The hope is that readers will awaken wide eyed to the wonder of God s tabernacling presence in our midst that we will live in such a way that others recognize this reality and that we will boldly and joyfully share the good news of Jesus under the direction and power of his indwelling Spirit

When The Rooster Crows Vincent L. Perri, 2023-07-15 This book closely examines our commonly held beliefs about human suffering and offers unique insights into God s role in why we suffer Dr Perri critically examines what it means to be human from a Judeo Christian perspective and extrapolates from the work of Carl Gustav Jung showing a deeply complex development of human transcendence in human suffering On an interpersonal level Dr Perri elaborates on the work of Martin Buber and Emanuel Levinas and shows how our suffering can be shared and lessened by our unconditionality and presence for the other Scriptural passages are quoted from both the Hebrew and New Testament texts and are used to depict the suffering of humankind as seen in the face of Job It was this face according to Perri that Jesus saw in the faces of those He came to redeem and that ultimately brought Him to the crucifix of redemption Dr Perri challenges Sartre s position that our existence precedes our essence and draws on the work of Abraham Joshua Heschel and Christian theology in this regard He further elaborates a neurodevelopmental paradigm that creates essence as the basis of our freedom to choose This book can be read and studied by both professionals in the helping and healing professions and lay persons seeking to better understand our suffering and how to better help those who suffer Dr Perri offers specific ways in how to be present for those who suffer how to read and receive the hidden language of human suffering and how to use silence as a communication skill

Spirituality in John's Gospel Gabriel-Mary Fiore CSJ, 2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John's Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this

problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel s spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel s authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John s spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel s spirituality
