## **Inessa Lenins Mistress:**

**Inessa** Michael Pearson,2001 Inessa Armand was a beautiful vivacious revolutionary and mother of four who acquired a place in the almost exclusively male history of the Russian Revolution due to her fervent political beliefs and her passionate relationship with Lenin Married at 19 she bore her husband three children before taking her brother in law as her lover and having his child From 1910 16 she and Lenin were lovers from which time until her death in 1920 she continued to play an important role in his life even becoming close to his wife Nadya Krupskaya Inessa became a leading member in Lenin s circle in Paris in 1910 a kind of lieutenant whom he used as a multi lingual trouble shooter and hard punching front when he wanted to stay in the background In 1917 back in Russia she joined the Duma in Moscow as a Bolshevik as well as being actively involved in the city Soviet She was also a furious feminist campaigner since she saw the revolution as being sexually chauvinist Her political leanings were very far left and on occasion she opposed Lenin himself as he had tempered his views for practical political reasons **Lenin's Mistress** Michael Pearson,2001 Armand who had shared Lenin s exile became the chief of the Women s Section of the Central Committee *Inessa Armand* R. C. Elwood,Ralph Carter Elwood,2002-07-04 Revealing information on the first Director of the Women s Section of the Russian Communist Party **Lenin** Victor Sebestyen,2017-11-07 Victor Sebestyen s riveting biography of Vladimir Ilyich Lenin the first major biography in English in nearly two decades is not only a political examination of one of the most important historical figures of the twentieth century but also a fascinating portrait of Lenin the man Brought up in comfort and with a passion for hunting and fishing chess and the English classics Lenin was radicalized after the execution of his brother in 1887 Sebestyen traces the story from Lenin s early years to his long exile in Europe and return to Petrograd in 1917 to lead the first Communist revolution in history Uniquely Sebestyen has discovered that throughout Lenin s life his closest relationships were with his mother his sisters his wife and his mistress The long suppressed story told here of the love triangle that Lenin had with his wife Nadezhda Krupskaya and his beautiful married mistress and comrade Inessa Armand reveals a more complicated character than that of the coldly one dimensional leader of the Bolshevik Revolution With Lenin s personal papers and those of other leading political figures now available Sebestyen gives is new details that bring to life the dramatic and gripping story of how Lenin seized power in a coup and ran his revolutionary state The product of a violent tyrannical and corrupt Russia he chillingly authorized the deaths of thousands of people and created a system based on the idea that political terror against opponents was justified for a greater ideal An old comrade what had once admired him said that Lenin desired the good but created evil This included his invention of Stalin who would take Lenin s system of the gulag and the secret police to horrifying new heights In Lenin Victor Sebestyen has written a brilliant portrait of this dictator as a complex and ruthless figure and he also brings to light important new revelations about the Russian Revolution a pivotal point in modern history With 16 pages of black and white photographs **Conspirator** Helen Rappaport,2010-05 The father of Communist Russia Vladimir Ilych

Lenin now seems to have emerged fully formed in the turbulent wake of World War I and the Russian Revolution But Lenin's character was in fact forged much earlier over the course of years spent in exile constantly on the move and in disguise In *Conspirator* Russian historian Helen Rappaport narrates the compelling story of Lenin's life and political activities in the years leading up to the revolution As he scuttled between the glittering capital cities of Europe from London and Munich to Vienna and Prague Lenin found support among fellow emigres and revolutionaries in the underground movement He came to lead a ring of conspirators many of whom would give their lives in service to his schemes A riveting account of Lenin's little known early life *Conspirator* tracks in gripping detail the formation of one of the great revolutionaries of the twentieth century

*The Non-Geometric Lenin* Carter Elwood, 2011-04-01 This book is a collection of eleven essays dealing with important but little studied episodes in Lenin's attempt to build a Bolshevik Party before 1914 It also deals with his defence of Roman Malinovsky who turned out to be a police spy and his romantic involvement with a fellow Bolshevik Inessa Armand The last three essays paint a picture of a non geometric Lenin and his little known interests in food holidaying and sports

*Lenin* Ronald Clark, 2011-09-28 In this accomplished biography of Vladimir Lenin Ronald Clark fills in the gap left by political economic and social historians Lenin's personality Clark introduces readers to Lenin the man an enthusiastic mountaineer with a sardonic sense of humor an affectionate husband with a long rumored affair Clark examines and describes the personality of one of the most dedicated and single minded political leaders of the 20th century

**Love and Russian Literature** Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 *Love and Russian Literature* casts a vivid new light on the ways

in which responses to Russia shaped the history of British modernism      Taboo Genocide Kris Dietrich,2015-09-11 This is a story of war and peace It may have been the greatest crime of the century after the Bolshevik coup and Russian Revolution and the murder of the Russian Romanov Tsar Nicholas II his wife Tsarina Alexandra and their five young children four Grand Duchesses Olga Anastasia Tatiana Marie and the Tsarevich Alexis It is our story And I want to share it with you now because it is your story too      The Strange Comrade Balabanoff Maria Lafont,2016-04-13 Born in 1878 to a wealthy Ukrainian family Angelica Balabanoff broke ties with her parents and left for Europe to become one of the leading female socialists of the early 20th century Just five feet tall plump and plain she was rumored to be a lover of Mussolini Lenin and Trotsky Returning to Russia at the beginning of the October Revolution she became one of the few women to occupy high ranking positions within the all male Bolshevik government later fleeing Russia in disagreement with Lenin s politics She was accused by European and American secret services of promoting communist propaganda and by the Soviets of disloyalty She lived in small dormitory like rooms moving on average every two years with her two suitcases of important documents She died in Rome at the age of 96 concluding her 65 year career by supporting Giuseppe Saragat in his quest to become president of Italy During her nomadic life state and police agencies in the countries she visited compiled documents on her The author draws on this extensive scattered archive in this first biography of Balabanoff      Red Valkyries Kristen Ghodsee,2022-07-12 The lives of five socialist women and their legacy for modern day feminists Red Valkyries explores the history of socialist feminism in Eastern Europe Through the revolutionary careers of five prominent socialist women active in the nineteenth and twentieth centuries the aristocratic Bolshevik Alexandra Kollontai the radical pedagogue Nadezhda Krupskaya the polyamorous firebrand Inessa Armand the deadly sniper Lyudmila Pavlichenko and the partisan scientist and global women s activist Elena Lagadinova Kristen Ghodsee tells the story of the personal challenges faced by earlier generations of radicals None of these women was a perfect leftist Their lives were filled with inner conflicts contradictions and sometimes outrageous privilege But they managed to fight for their own political projects with perseverance and dedication Always walking a fine line between the need for class solidarity and the desire to force their sometimes callous male colleagues to take women s issues seriously these women pursued novel solutions with many lessons for those who might follow in their footsteps      *Passage into Light (The Russians Book #7)* Judith Pella,2015-10-13 In 1917 Russia lies in ashes The tsar has been imprisoned and the government remains unstable Amid the turmoil Anna Fedorcenko s sons Andrei and Yuri face the consequences of their personal and political choices As they gather what s left of their lives they will need the faith and love that have become the Fedorcenko and Burenin legacy more than ever      **The Russians Collection** Michael Phillips,Judith Pella,2016-02-02 In this bestselling series set in pre revolutionary Russia both a peasant and a princess face the prospect of their beloved country being torn apart by conflict within and without 1 The Crown and the Crucible 2 A House Divided 3 Travail and Triumph 4 Heirs of the Motherland 5 Dawning of Deliverance 6 White Nights Red Morning 7 Passage Into Light      The Bolsheviks

Volume II John D. Loscher, 2009-09-28 We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge dAffaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenins stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his countrys self serving objectives But as the husband to Sonjya Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge daffaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by Americas inept luxury loving ambassadors William is a witness to the final overthrow of Russias imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russias future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russias exploited peasant population any better off than they were before *Lenin on Literature and Art* Vladimir I. Lenin, 2008-03-01 Vladimir Ilyich Lenin 1870 1924 was a Russian revolutionary a communist politician the main leader of the October Revolution the first head of the Russian Soviet Socialist Republic and from 1922 the first de facto leader of the Soviet Union He was the creator of Leninism an extension of Marxist theory Russia in the Twentieth Century David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example The Stalin Trilogy David Pinner, 2013-10-17 Includes the plays Lenin in Love The Teddy Bears Picnic and The Potsdam Quartet Three gripping political plays Lenin in Love takes up the alleged sexual troika and sadistic inclinations of one of the foremost political leaders of the 20th century The Teddy Bears Picnic is an ironic comedy which shows Stalin playing relaxed host and bon viveur in his country retreat His Politburo guests are somewhat less relaxed The Potsdam Quartet features four embittered musicians hired to entertain Stalin Truman Atlee and Churchill as they divide up the world **The Kremlin Conspiracy** Douglas Boyd, 2014-11-03 What did it mean when Vladimir Putin stepped down from president to prime minister of Russia in 2008 and bounced to the top again in 2013 The Putin Medvedev clique of mega rich ex KGB men and lawyers call

their state machine kontora the firm and run it as though they own all the shares They command the largest armed forces in Europe equipped with half the world s nuclear warheads Their air force regularly flies nuclear capable Tupolev Tu 95 strategic bombers into British airspace to analyse our radar defences and time in the air reaction In a frightening foretaste of future warfare the Kremlin launched a cyberattack on neighbouring Estonia in 2007 that crashed every computer and silenced every mobile phone bringing the country to a complete halt Was this just Tsar Vladimir bullying a small independent neighbour state that could not hit back or a rehearsal for something far bigger People call Putin s power strategy the new Cold War Author Douglas Boyd argues that it is the same one as before fought with potent new weapons the energy resources on which half of Europe now depends and which can be turned off at Moscow s whim Recounted often in the words of participants The Kremlin Conspiracy is the chilling story of 1 000 years of bloodshed that made the Russians the way they are Today Ukraine Tomorrow The past points the way for the men running the Kremlin firm are driven by the same motivation as Ivan the Terrible and Catherine the Great

Lenin Lars T. Lih, 2012-01-01 After Karl Marx Vladimir Lenin 1870 1924 is the man most associated with communism and its influence and reach around the world Lenin was the leader of the communist Bolshevik party during the October 1917 revolution in Russia and he subsequently headed the Soviet state until 1924 bringing stability to the region and establishing a socialist economic and political system In Lenin Lars T Lih presents a striking new interpretation of Lenin s political beliefs and strategies Until now Lenin has been portrayed as a pessimist with a dismissive view of the revolutionary potential of the workers However Lih reveals that underneath the sharp polemics Lenin was actually a romantic enthusiast rather than a sour pragmatist one who imposed meaning on the whirlwind of events going on around him This concise and unique biography is based on wide ranging new research that puts Lenin into the context both of Russian society and of the international socialist movement of the early twentieth century It also sets the development of Lenin s political outlook firmly within the framework of his family background and private life In addition the book s images which are taken from contemporary photographs posters and drawings illustrate the features of Lenin s world and time A vivid non ideological portrait Lenin is an essential look at one of the key figures of modern history
