**Infamous Cheshire** Bob Burrows,2006-09-21 Infamous Cheshire explores the darker side of this idyllic county where murders in sleepy villages royal scandals ancient and modern and the antics of showbiz personalities reveal that all is not as tranquil as it may seem In his new book Bob Burrows digs deep into forgotten tales of villainy and crime deceit and death as well as throwing new light on more recent and well remembered events including the Great Train Robbery s connections with the county Britain s biggest financial fraud the IRA attack in Warrington the plane that crashed in the centre of Stockport and even the story behind one of Cheshire s roads designated the most dangerous in Britain Infamous Cheshire will enthrall and fascinate anyone who would like to discover more about the unexpected history of Cheshire Triumph Floyd Jordan,2012-05-03 Triumph is the story of my journey through the fire service and has been a dream of mine since I was promoted to the rank of fire lieutenant in 1974 Writing this story and reliving many events was painful such as the blatant racism and disrespect experienced on duty the day Dr Martin Luther King was assassinated in Memphis Tennessee and when the firefighters union expelled all the black firefighters from membership when they refused to disband their association as members of the Black Firefighters association and Scrotum on the head the worst scandal in the Miami Fire Department s history are a few of the most important stories revealed in my book But this story is not just about pain it is also about the joy of triumphing over the obstacles and barriers that were endemic for trailblazing black firefighters from the mid 1960 s and beyond The Day Care Ritual Abuse Moral Panic Mary de Young,2004-02-23 In the United States during the early 1980s hundreds of day care providers were accused of sexually abusing their young charges in satanic rituals that included blood drinking cannibalism and human sacrifice The panic surrounding the ritual abuse of children has spread quickly to Canada Europe and Australasia and its rapid dispersion has been unimpeded by international investigations that found no evidence to corroborate the allegations and warned that a moral panic was thrusting them into professional public attention This work is a sociologically based analysis of the day care ritual abuse panic in America It introduces the concept of moral panic and analyzes its relevance to the ritual abuse scare explores the ideological political economic and professional forces that fomented the panic discusses the McMartin Preschool case as the incident that brought attention to satanic menaces and children and examines the dialect between the various interest groups that stirred up and spread the moral panic and the day care providers accused of ritual abuse Also covered are the popular culture representations of day care ritual abuse the diffusion of the scare to areas overseas the institutionally symbolic and ideologically contradictory social ends of the panic and the outcomes of the panic in various settings The book ends with a discussion of moral panic theory and how it needs to be changed for a complex multi mediated postmodern culture and what lessons can be learned from the scare **Fortitudine** ,1992 Unworthy S. Kuhl,2020-09-21 Finally this is not just another book denouncing the pretribulation rapture but a Bible based analysis and polemic against the very idea of man trying to avoid pain and tribulation

While it is true that the Bible teaches that we Christians are not to suffer wrath The Bible also teaches that as Christians we should expect trials and tribulation Daniel s prophecy of seventy weeks the final week man s rule is divided in half creating two periods of three and a half years The final three and a half years of man s rule on earth will be the time known as Jacob s trouble Evil will no longer be restrained that is the Holy Spirit will cease to hold back evil allowing ungodly men to rejoice in the darkness they have wanted since the beginning Christians will have disappeared from the earth by this time and men can and will run wild Earthly government will be a single one world government ruled by an insane fascist leader who will not care what women want but only care that the world worships him as God The people will celebrate when last two righteous men in Jerusalem are killed by Satan and send gifts to each other Christians should rejoice that they will not be here but they will see the rise of the Antichrist and recognize him when he appears with his false prophet The stage for this play is being set as we watch today s headlines Unworthy will show you that we are today living in what Jesus called the beginning of sorrows Matt 24 8

*Ernie Pyle Was My Hero* Renita Menyher, 2012. Ernie Pyle's writings about Soldiers during World War II were always an inspiration during my career as a feature broadcaster and writer. Full of flavor about GI life, I followed Mr. Pyle's example of accompanying Soldiers during training and participating as much as possible. This magic formula never failed to promote understanding and appreciation of the demands and sacrifice of Soldier life. Hearing first-hand accounts of the Pearl Harbor attack and the Doolittle Raid that followed walking along the water's edge at Omaha and Utah Beaches with WWII Soldiers who stormed the shores on June 6, 1944 and accompanying paratroopers to towns like Sainte Mere Elise where they parachuted in the night before and exploring other memorable accounts such as prisoners of war considerably deepened my appreciation and admiration for the Greatest Generation. Applying the same Ernie Pyle writing strategy made all the difference in writing about them.

*The Puppet Master of Islam* Richard Bennett, 2022-09-01. To understand the dangers imposed upon the world by Allah Muhammad and the angel of light, you must look at Islam through the eyes of Christianity. Hal Lindsey, one of the true futurist preachers of our time, wrote in *The Late Great Planet Earth* that there are only two sources of the supernatural: The God of the Bible followed by Christians and the god of this world followed by Muslims, who is described as an angel of light. 2 Corinthians 11:14: "This is the angel that visited Muhammad and introduced Allah into the world." In the beginning, Muhammad thought he was possessed. He spent years convincing himself that he was not. Many, however, believe that what Muhammad suspected about demonic possession may be true. It took a great deal of persuasion by Muhammad's first wife, Khadija, to convince him that his encounter may have been divine as opposed to demonic in origin. She was instrumental in the birth of the prophet becoming a reality. Discover the
