Infant Massage A Handbook For Loving Parents:

Infant Massage (Fourth Edition) Vimala McClure, 2017-07-11 Master the techniques of infant massage and incorporate this joyful and wonderful healing art into your baby's life with this revised and updated edition. For generations mothers around the world have known that the soft touch of their hands soothes, calms, and communicates their love to their babies. The latest scientific research confirms that physical affection is vital to the development and wellness of children, easing discomfort, releasing tension, improving sleep, helping premature infants gain weight, even aiding asthmatic children to improve their breathing. Now Vimala McClure, founder of the International Association of Infant Massage, has revised and updated her beloved classic. Inside you'll find specific routines tailored to help relieve colic, fever, and chest and nasal congestion; easy-to-follow instructions and photographs demonstrating each step; new information on the benefits of skin-to-skin contact; instructions for premature infants and babies with special needs; lullabies, rhymes, and games to enhance the massage experience; a special chapter dedicated to fathers; compassionate advice for foster and adoptive parents. Praise for *Infant Massage*: Speaking as a pediatrician, the best advice I can give you is to try the techniques described in this book. Stephen Berman, M.D., F.A.A.P., former president, American Academy of Pediatrics. What a brilliant way to love and nurture a child. The first connection between parent and child is physical, through the body, by using the techniques Vimala McClure has developed. Your parental relationship will be off to a magnificent start. Judy Ford, author of *Wonderful Ways to Love a Child*.

Infant Massage--Revised Edition Vimala McClure, 2010-05-05 Discover the gentle art of Infant Massage. In this completely updated version of her renowned classic, Vimala McClure, founder of the International Association of Infant Massage and its premier proponent in the United States, helps you master the techniques of infant massage so you can incorporate this joyful and wonderful healing art into your baby's life. She shows you why a daily massage can be one of the greatest gifts you give your child and yourself. For generations, mothers the world over have known that the soft stroke of their hands soothes, calms, and communicates their love to their babies. Now, scientific research proves that massage can do all that and more. In *Infant Massage*, McClure shares how massage benefits children, easing discomfort, releasing tension, helping premature infants gain weight, even helping asthmatic children improve breathing function. She explains each step of the massage process with simple, easy-to-follow instructions and delightful photographs demonstrating each stroke. You'll also find specific routines tailored to help relieve colic, fever, chest and nasal congestion. Modified instructions for premature infants and babies with special needs. Helpful hints on dealing with crying and fussing. Lullabies, rhymes, and games to enhance the massage experience. Guidance for teaching children about good touch. A special chapter dedicated to fathers. Compassionate advice for foster and adoptive parents. And much more. **Infant Massage** Vimala Schneider McClure, 2017 Vimala McClure, founder of the International Association of Infant Massage and its premier proponent in the United States, helps you master the techniques of infant massage so you can incorporate this joyful and wonderful healing art into your baby's life. *Infant*
