desolate though in the far distance were rice fields and the curiously fashioned roofs of a Chinese village The sun beat down upon the glasslike water The air was windless Further movement seemed impossible until from the smaller boat through unexpectedly opened hatches half a dozen oars were suddenly thrust into the water The huge Chinaman who stood at the helm yellow skinned and naked to the waist picked up an enormous pole and let it gradually down into the river bed The oars languidly though they were wielded cut the water and the dhow began slowly to move Wu Abst the Mighty Terror of the Great River as he loved to hear himself described grinned mockingly as he looked backwards towards his pursuer He shouted words through the glistening heat intended to convey his contempt of those who fancied that he was to be caught napping Then he bent over his giant pole and glanced with satisfaction at the distant bank which already showed signs of their progress

**Resurrection and Reclamation** Elrod Stanton,2005      **The Idea of Music in Victorian Fiction** Nicky Losseff,2016-03-03 The Idea of Music in Victorian Fiction seeks to address fundamental questions about the function meaning and understanding of music in nineteenth century culture and society as mediated through works of fiction The eleven essays here written by musicologists and literary scholars range over a wide selection of works by both canonical writers such as Austen Benson Carlyle Collins Gaskell Gissing Eliot Hardy du Maurier and Wilde and less well known figures such as Gertrude Hudson and Elizabeth Sara Sheppard Each essay explores different strategies for interpreting the idea of music in the Victorian novel Some focus on the degree to which scenes involving music illuminate what music meant to the writer and contemporary performers and listeners and signify musical tastes of the time and the reception of particular composers Other essays in the volume examine aspects of gender race sexuality and class that are illuminated by the deployment of music by the novelist Together with its companion volume *The Figure of Music in Nineteenth Century British Poetry* edited by Phyllis Weliver Ashgate 2005 this collection suggests a new network of methodologies for the continuing cultural and social investigation of nineteenth century music as reflected in that period s literary output
