

A dramatic sky with dark, swirling clouds and a single bird in flight. The text is overlaid on a dark, semi-transparent background.

I am so infinitely happy that he  
loves me so much, and I pray that it  
will always be like this. It won't be  
my fault if he ever stops loving me.

**Centuries of Meditations** Thomas Traherne, 2020-05-22 Primarily known as one of the metaphysical poets Thomas Traherne was also a theologian, clergyman, and religious writer. This posthumously published work is a delightful collection of brief meditations gathered in groups of hundreds and includes reflections on Scripture and the soul's relationship with God. An exemplary piece of religious literature from a contemporary of John Milton and a forerunner of Romanticism, this work is a great addition to any library.

**The Evangelical Repository**, 1857 **Theology Explained & Defended ...** Timothy Dwight, 1828 Theology Explained and Defended Timothy Dwight, 2009-05 With our American Philosophy and Religion series, Applewood reissues many primary sources published throughout American history. Through these books, scholars, interpreters, students, and non-academics alike can see the thoughts and beliefs of Americans who came before us.

**The Covenant Theology of Jonathan Edwards** Paul J. Hoehner, 2021-05-13 As a theologian in the Reformed tradition, covenant theology was for Jonathan Edwards the internal scaffolding that gave shape to the biblical story of redemption. The establishment of the eternal rule of righteousness as the basis of the believer's communion with God and eternal happiness is a central theme, beginning with the Covenant of Works, grounded in the eternal Covenant of Redemption and culminating in the Covenant of Grace. It is the basis for the law/gospel distinction in Edwards and the early architects of federal theology. For the God-intoxicated New England Puritan preacher, this was no dry academic exercise. Rather, it was a joyous and affectionate discovery and embrace of what God had ordained in eternity: what Christ accomplished in history on the cross and what the Holy Spirit is doing and will complete in the church. This study grew out of current discussions in Reformed scholarship questioning aspects of traditional covenant theology. As a key transitional figure in the history of Reformed theology, Edwards's thinking is still relevant. The richness and depth of Edwards's vision of redemptive history provides a clear and comprehensive understanding of his Reformed soteriology and the role of evangelical obedience in justification.

Includes a study guide for individual and small group use. Isn't it true we really don't know someone until we understand what makes that person happy? And so it is with God. What does bring delight to the happiest Being in the universe? John Piper writes that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend the pleasures of God. Unlike so much of what is written today, this is not a book about us; it is about the One we were made for: God Himself. In this theological masterpiece chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us.
