The Congregationalist Robert William Dale, James Guinness Rogers, 1878 **A Resurrection Like Christ's** David W. Cooke, 2023-01-17 The book is a refutation of the Intermediate State which teaches a separation of the soul and body of the saint at death and the future bodily resurrection of all mankind at the Final Judgment The Final Judgment is the resurrection of the lost to judgment The Christian is resurrected body and soul to heaven at death thus the title of the book *A Resurrection Like Christ's* Christ after his time on earth entered heaven to receive glory upon his ascension so shall the saints The author has given the reader the broad arc of redemption history concerning resurrection in a manner which is logical and conforms to the biblical texts The OT and NT are brought together to form a single theme He writes about a difficult topic in a manner that can be read by any person with a basic knowledge of the Bible Although not afraid to tackle the difficult texts he does so in a concise manner to keep the points of the book in the mind of the reader These points are the believer's bodily resurrection to heaven at death and the resurrection of those who rejected Christ on Judgment Day **Understanding**

alike a new and biblical paradigm for life together in Christ A Course of Sermons on Solemn Subjects Edward Bouverie Pusey, 1845 A Supreme Desire to Please Him E.D. Burns, 2016-12-09 Adoniram Judson was not only a historic figurehead in the first wave of foreign missionaries from the United States and a hero in his own day but his story still wins the admiration of Christians even today Though numerous biographies have been written to retell his life story in every ensuing generation until now no single volume has sought to comprehensively synthesize and analyze the features of his theology and spiritual life His vision of spirituality and religion certainly contained degrees of classic evangelical piety yet his spirituality was fundamentally rooted in and ruled by a mixture of asceticism and New Divinity theology Judson's renowned fortitude emerged out of a peculiar missionary spirituality that was bibliocentric ascetic heavenly minded and Christocentric The center of Adoniram Judson's spirituality was a heavenly minded self denying submission to the sovereign will of God motivated by an affectionate desire to please Christ through obedience to his final command revealed in the Scriptures Unveiling the heart of his missionary spirituality Judson himself asked What then is the prominent all constraining impulse that should urge us to make sacrifices in this cause And he answered thus A supreme desire to please him is the grand motive that should animate Christians in their missionary efforts Maimonides' Cure of Souls David Bakan, Dan Merkur, David S. Weiss, 2010-07-02 Is Moses Maimonides an unacknowledged ancestor of the psychoanalytic movement In this book David Bakan Dan Merkur and David S Weiss look at the great medieval Jewish philosopher's prescription for the cure of souls and its psychological significance In the Guide of the Perplexed Maimonides who was also a physician describes the soul's illness when sinners rationalize evil as good they limit their capacities to reason imagine and behave well which also produces physical symptoms The cure depends on repentance in love and fear of God that is attained through philosophical knowledge the interpretation of dreams and visions and mystical contemplation The authors look at the Aristotelian background of Maimonides psychology Maimonidean mysticism his beliefs about prophecy and sexuality and what is known of Maimonides' client population A final chapter discusses Maimonides and Freud noting that many distinctive features of the cure of souls are shared by Freud's original formulation of psychoanalysis Indeed the many points of convergence suggest Freud's direct or indirect contact with Maimonides' legacy Selected Works Vol. 1 Andrew Murray, 2011-07-05 **Life-study of Ephesians** Witness Lee, 2023-09-27 The subject of the book of Ephesians is the church There are seven aspects of the church revealed in Ephesians The church is the Body the new man the kingdom the family the dwelling place the bride and the warrior If we put together all these seven aspects of the church we see a wonderful picture of the church as the Body to express Christ as the new man taking Christ as the person as the kingdom with rights and responsibilities as the family with life and enjoyment as God's dwelling place for God to live in as the bride for Christ's satisfaction and as the warrior for fighting the battle and defeating the enemy so that God can accomplish his eternal purpose This is the church The Life study of Ephesians also gives a clear view of the contents of the book of Ephesians In

chapter one of Ephesians we have the blessings God's selection predestination sonship holiness redemption sealing pledging and much more Then we shall see the prayer of the Apostle for a spirit of wisdom and revelation to know the hope of God's calling to see the glory of God's inheritance among His saints and to realize the greatness of the power that has been wrought in Christ to produce the Body Then in chapter two we see the production of the church the nature of the church the vision of the church the building of the church and the function of the church In chapter three we see the revelation of the mystery and the ministry of the stewardship concerning the church Following this we see Paul's prayer for the strengthening of our inner man so that Christ may make His home in our heart that we might be filled with all the fullness of God This causes us to have the practical experience of Christ Then as revealed in the last three chapters we shall know how to walk on earth to bear responsibility and to fight the battle for God's purpose This is the content of the book of Ephesians
