## **Influential Theologians On Wo Man:**

Influential Theologians on Wo/man William E. Phipps,1980      **An A-Z of Feminist Theology** Lisa Isherwood,Dorothea McEwan,2016-10-06 This exciting volume brings together a wide range of perspectives on one of the most important and challenging areas of modern theology There are entries on all the major themes of Christian feminist theology including models of God and of the Church ethics and spirituality sexuality and liberation Many of the entries push their respective discussions beyond the rigid boundaries of previous theological discourse Together they present the far reaching concerns of feminist theology in an accessible and stimulating way The compendium is both a resource and an inspiration for scholars and students of feminist theology and for all those who are interested in this field of reflection and activity      *Every Woman a Theologian* Phylicia Masonheimer,2023-02-28 Know what you believe and live it boldly Phylicia Masonheimer believes that every woman should be a theologian and a student of the heart of God Learn the basics of Christian theology and why it s so important to continue your biblical education to grow deeper in faith Discover how scriptural knowledge can help you navigate the world answer your toughest questions and engage culture in loving ways All of us have guiding principles at work behind our choices even if we don t realize it We hold beliefs about the world ourselves and God beliefs perhaps we may have adopted unknowingly based on experience or culture s messages But God has revealed Himself through Scripture so it can transform how we view and navigate the world how we think act love work marry and parent When we do that we become theologians No we re not wearing tweed suits or giving lectures we re driving to our corporate job every morning or juggling babies on our own or connecting with our communities We are women who want to know who God is and how He answers our toughest questions Through engaging stories and compelling truths *Every Woman a Theologian* will help you Identify your existing beliefs about God salvation and the Christian life Learn how to lovingly communicate Christian truths to those who disagree Understand theological concepts without feeling overwhelmed or inadequate Grow closer to the heart of God Step in that direction with Phylicia Masonheimer as your guide and you will grow as a woman able to discern truth who knows what she believes and who lives her faith boldly in a post Christian world      The Influence of the Catholic Theologian Alfonso Tostado on the Pentateuch Commentary of Isaac Abravanel Solomon Gaon,1993      The Influence of Early Keswick Theology of Sanctification in the Socio-ethical Life of the East African Revival Movement Robinson Kariuki Mwangi,2025-03-31 Sanctification is an essential part of every Christian life But how do its differing theologies shape our Christian walk and wider socio ethic contexts Grounded in the East Africa Revival Movement EARM this work seeks to answer how the Keswick theology of sanctification contributes to the socio ethical understanding of walking in the light and consequently influences the mission of the Anglican Church in the Mount Kenya region Dr Robinson Kariuki Mwangi uses careful exegetical analysis to understand the biblical roots of revival and calls us to action in showing what our faith stands for integrating practical theology with pastoral practice Scholars of theology and lived Christianity will find the observations

in this work informative for further study      **Theology Between the East and West: A Radical Legacy** Frank D. Macchia, Paul S. Chung, 2002-11-08 With this Festschrift we bring to this teacher and friend a richly multicolored bouquet of theological contributions all of which convey an echo of Lochman's theological message Frank Macchia and Paul Chung who were among Lochman's leading students at Basel have collected the essays of this volume These essays reveal the ecumenical interests of inter confessional ecumenical dialogue the social interest of a vigorous Christian ethic and the human interest in a humane culture interests affirmed in various ways in Lochman's theology They bring to expression our gratitude for his theological presence over so many years and in so many continents Jurgen Moltmann from the foreword Contributors Include Prof Dr Charles C West Prof Dr Friedrich Wilhelm Marquardt Prof Dr Georges Hunsinger Prof Dr Jurgen Moltmann Prof Dr Karl Rennstich Prof Dr Lukas Vischer Prof Dr Miroslav Volf Prof Dr Merwyn S Johnson Prof Dr Stefan Becker Prof Dr Veli Matti Karkkainen Prof Dr Mee Hyun Chung Prof Dr Esther Kim Prof Dr Kosuke Nishitani Johannes M Staehelin Prof Dr Kim Won Bae Dr Hans Jorg Kagi Dr Manfred Rohloff among others      **Volume 10, Tome I: Kierkegaard's Influence on Theology** Jon Stewart, 2016-12-05 Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard's breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard's thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard's published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times      *Hail Mary?* Maurice Hamington, 2014-04-23 *Hail Mary* examines the sexist and misogynist themes that underlie the socially constructed religious imagery of Mary the mother of Jesus Maurice Hamington explores the sources for three prominent Marian images Mary as the the blessed Virgin Mary the Mediatrix and Mary the second Eve Hamington critiques these images for the valorization of sexist forces with the Catholic Church that serve to maintain systems of oppression against women In challenging dominant religious representations of Mary Hamington surveys a variety of emerging reinterpretations of Mary He then provides a

framework for further study of non alienating images of Mary

Scott-Baumann,2010-11-24 This collection of essays by leading scholars in the field reveals the major contribution of puritan women to the intellectual culture of the early modern period It demonstrates that women s roles within puritan and broader communities encompassed translating and disseminating key texts producing an impressive body of original writing

Woman, Women, and the Priesthood in the Trinitarian Theology of Elisabeth Behr-Sigel Sarah Hinlicky Wilson,2013-09-26 Elisabeth Behr Sigel 1907 2005 a convert to Orthodoxy in her early twenties and a central figure of Orthodox theology among Russian migr s in Paris first began to reflect on the question of women in the priesthood in 1976 Initially supporting the general consensus that priesthood would be impossible for the Orthodox she came to retract this view finding a basis for female ordination in women s distinct spiritual charisms Behr Sigel later shifted the foundation of her case to personhood inspired by the work of fellow Orthodox theologian Vladimir Lossky and arrived at the conclusion that all the Orthodox arguments against the ordination of women were in fact heretical at root In this volume Wilson analyzes all of Behr Sigel s writings about women and the priesthood across the whole sweep of her career demonstrating the development of her thought on women over the last thirty years of her life She evaluates her relationship to feminism Protestantism and movements within Orthodoxy finally drawing conclusions about this much contested matter for the ongoing debate in both the East and the West

*Scapegoats* Jennifer Garcia Bashaw,2022-05-24 Scapegoats are innocent victims who have experienced blame and violence at the hands of society Ren Girard proposes that the Gospels present Jesus as a scapegoat whose innocent death exposes how humans have always created scapegoats This revelation should have cured societal scapegoating yet those who claim to live by the Gospels have missed that message They continue to scapegoat and remain blind to the suffering of scapegoats in modern life Christians today tend to read the New Testament as victors not as victims The teachings and actions of Jesus thus lose much of their subversive significance The Gospels become one harmonized story about individual salvation rather than distinct representations of Jesus s revolutionary work on behalf of victims Scapegoats revisits the Gospel narratives with the understanding that they tell scapegoats stories and that through those stories the kingdom of God is revealed Bashaw goes beyond Girard s arguments to show that Jesus s whole public ministry not only his

death combats the marginalization of victims These scapegoat stories work together to illuminate an essential truth of the Gospels that Jesus modeled a reality in which victims become survivors and the marginalized become central to the kingdom

**Transactions** New York State Agricultural Society,1889      *Theological Colleges: their place and influence in the Church and in the World with special reference to the evil tendencies of recent scientific theories. Lectures, etc* Josias Leslie PORTER,1874      A Trail of Semen Down Through the Ages Dr Geraldine Sharp,2018-08-15 Why are men superior Why do men talk of their seed Why do women continue to be oppressed This book provides the answers It is an original ground breaking piece of work and exposes the missing link in theories of male superiority From the ancient world to modern times the possession of semen has provided proof for the superiority of the male Woman was a mistake of nature a misbegotten man a failed male Christianity absorbed these ideas into its sexual theology and the influence of Christian thought in the Western world especially on matters of sexuality cannot be denied The ancient truths about woman as a failed male and man as superior continue to exist and have meaning The three main world religions are complicit in this In light of current knowledge to continue with this discredited theology of semen is to sacrifice truth to the ideology of patriarchy
