Juster, 2017 This is one of the most important questions to ask There are many different answers and beliefs that can cause confusion with what the Bible teaches What do you do when someone asks if there really is a heaven hell or afterlife Author

Daniel Juster helps guide you with answers to this question by surveying what the Bible says in Heaven Hell and the Afterlife Each chapter explores and evaluates the evidence from Biblical texts and explains how the confusion of doctrines today should not be created based on someone's visions dreams or experiences with heaven or hell Go deeper in seeking out truth and knowledge of heaven and hell and be able to answer where your final destiny will be Heaven Or Hell, Your Choice, God's Decision Washington,2018-08-02 What is awaiting you after you close your eyes to open them in the eternity What is awaiting you after your body returns to the dust of the earth Is there a heaven and is there a hell that awaits your destination Discussions concerning is heaven real or is hell real has become void in the church's pulpits today Many that are talking about heaven is not going to walk through one of those pearly gates and many that are refusing to address the topic of hell is going to be surprised The Biblical standards of this topic is not being addressed according to the Word of God Yes Virginia there is a heaven and there is a hell It is your choice however it is God's decision where each dwell in eternity Always remember as you read this book Heaven is the place to go Hell is too hot and Eternity is too long Looking at heaven and hell in this book will help you realize and give you time to think about the end God's Decision Everyone wants to leave God out of the equation but He is the equation At our birth we had an appointment with life and at our death we have an appointment with death Life and death walk hand in hand with us throughout their lives with each waking day Sometimes they separate we have good days and we have bad days Then one day they come together for the last time Life and death will have a quarrel and on that final day death will win because the God the equation has spoken it is appointed unto man once to die and then the judgment decision Hebrews 9:27 Heaven and hell is not a figment of your imagination they are real

Heaven - Hell _ Lessie Myles,2018-03-30 There are some things in life we can afford not to be certain about but the knowledge of whether Heaven and Hell exist is certainly not one of them With so much deception manipulation and misconception about heaven and hell many have elected to believe that neither exists This is a dangerous position to take Why Because at the end of this life's journey death your spirit soul will be assigned to go somewhere whether we believe and accept this truth or not So for those who have taken this skeptic stance before putting yourself in a permanent negative position spiritually speaking it would be prudent to at least explore what you have heard about Heaven and Hell and find out if what you have heard is true or not By the end of this book you will know with complete certainty whether Heaven or Hell exist *What's the Truth About Heaven and Hell?* Douglas A. Jacoby,2013-04-01 Recent books about heaven and hell have aroused the interest of committed Christians and curious seekers alike But the wide range of viewpoints has also created confusion and left many people wondering what they are to believe This user friendly guide presents the most popular views on heaven hell purgatory judgment and related topics followed by brief easy to follow analysis Readers will be equipped to make their own well informed decisions about questions like these What happens when we die Where did the idea of purgatory come from Will our bodies be resurrected someday If so does cremation offend God Will unbelievers be judged by

God and punished in hell forever Or will they be annihilated What about those who never heard the gospel message This summary of the latest Evangelical teaching and traditional mainstream scholarship provides readers with tools to assess each position in the light of Scripture *Heaven and Hell* Bart D. Ehrman, 2020-04-02 Whether we believe in them or not we are all familiar with the concepts of heaven and hell There was a time however when no one thought they would go to either of these places after they died So where did these conceptions of the afterlife in which billions today believe come from From the ancient Near East Greece and Rome to the time of early Christianity Bart Ehrman traces how these ideas emerged through a centuries long struggle to explain the injustice of this world For if good is to ultimately triumph over evil then this unjust world cannot be all there is A fascinating history of how the ideas of the afterlife evolved over time Heaven and Hell also reveals much about how Christianity came to be what it is today *Visions of Heaven and Hell Before Dante* Eileen Gardiner, 1989 This essential and widely used collection of visions of heaven and hell the first in English presents new translations of two visions and newly edited versions of previously translated ones Describes the place of these works in medieval literature and provides a helpful resource for studying elements of medieval religion Includes St Peter's Apocalypse St Paul's Apocalypse St Brendan's Voyage St Patrick's Purgatory and the Visions of Fursey Drythelm Wetti Charles the Fat Tundale the Monk of Evesham and Thurkill Bibliography index glossary notes illustrated **The Reality of Heaven and Hell** Apostle Joshua Selman, 2021-01-18 We started considering the subject of heaven and hell a very powerful subject This subject is not taught as much in the body of Christ again for many reasons We just feel that it puts fear in people and we live in a time and age where people should not be made to be afraid Unfortunately if we do not teach about the reality of the afterlife that there is eternity beyond this realm we'll be cheating them This is the heart of the Christian experience So we started last week Part one was proving to us from scripture that there is a place called heaven and there is a place called hell In case you've been indoctrinated to believe there is no heaven it doesn't make any difference there is because one day you'll see one of those places for sure whether you believe it or not The question is not will you spend eternity that's a wrong question It's the location that matters because you'll spend eternity for sure *Heaven, Hell, . . . and Purgatory?* Michael Root, James J. Buckley, 2015-09-14 What is our destiny The final end of humanity and the universe is a subject of perennial interest especially for Christians What are we promised Will anyone finally be left out of God's intentions to bless humanity What sort of transformation will be needed to enter the presence of God These questions have been at the heart of Christian teachings about last things The 2013 Pro Ecclesia Conference of the Center for Catholic and Evangelical Theology focused such issues on the theme Heaven Hell and Purgatory The six essays in this volume cover a range of topics of interest to Catholic Evangelical and Orthodox theology **Is There More?** Leslie Dixon Weatherhead, A. Kingsley Weatherhead, 2011 Leslie D Weatherhead replies to questions put to him by Norman French **Visions of Heaven and Hell** John Bunyan, 2007-02 When the wicked have traveled a course of sin and discover they have reason to fear the God's judgement

and wrath for their sins they begin to wish there is no God to punish them then by degrees they persuade themselves there is no God and then they set themselves to study the arguments to support their opinion This excellent book by John Bunyan covers the subject matter of the existence of heaven and hell as well as studies and dispells the arguments presented by sinners who argue there is no heaven and hell Most do not know that Bunyan wrote some 60 books and poetry too And also almost a well kept secret is that his doctrine was so biblically laced that many good men would call him too severe He believed in and taught ALL the doctrines of grace including double predestination or reprobation Why then is he not smeared with the name of hyper Calvinist like Goodwin Gill and others I guess the same people ought to call Luther a hyper Lutheran for he believed and taught it too Why begin a review of Bunyan s writings with such a view of his doctrine It is to show that a Pilgrim s Progress can come only from someone who believes and teaches ALL the counsel of God without flinching yea with loving kindness Illegally He sat in a jail cell over a river for 12 years with his Bible Galatians by Luther and another book or two He had the choice of feeling miserable and murmuring or of filling his time thoughts and energies with studying that Bible and seeking a way to be of help to his more comfortable but less dedicated brothers and sisters Listen dear saints you can t do any better than reading Bunyan Like Gurnall he covers everything here and there and with a sweetness that can come only from God What a shame that his large heart should be encased in such small print But like digging gold it is worth the time and trouble to dig spiritual gold Bunyan 1628 1688 rose from an humble beginning to being a preacher to a little house church to 12 years in jail because he would not agree to quit preaching to a huge church in London He wrote 66 books nearly all while in jail
