Oahspe John Ballou Newbrough, 1882 Lord of the Three in One Kenneth Dean, 2023-11-14 An illuminating account of the steadfast resilience of rural popular culture in post Mao China Lin Zhao en 1517 1598 set out to popularize Confucianism by combining Confucian studies with Daoist inner alchemical techniques and Buddhist Chan philosophy into something he called the Three in One Teachings Despite periods of clandestine activity since its inception the Three in One cult has undergone a remarkable revival in post Mao China Today in more than a thousand temples by tens of thousands of cult initiates Lin is worshipped throughout Southeast China and Southeast Asia as Lord of the Three in One Many of the temples have been restored since the late 1970s when China began to experience an explosive resurgence of popular culture and religion In this book Kenneth Dean draws on a decade of field work to document the reemergence of this cult which seeks to transmit a universal vision of truth yet retains a strong local appeal through its healing rituals and spirit mediumism Although the Chinese government still tries to suppress these resurgences in the interest of modernization the cult s locally based networks are unstoppable social forces Dean explores the organization and transmission of the Three in One s unique cultural vision the reception of this vision and the construction of subjectivity within a vibrant ritual tradition Outlining such features as inner alchemical meditation scripture and iconography ritual practice and spirit mediumism he demonstrates the cult s transformative potential as well as its contemporaneity and dynamism Rural Chinese popular culture emerges here as resilient highly complex and always evolving **The Visible Kingdom of God** Esther Stein, 2018-03-30 As Noah and his family repopulated the earth they passed on fascinating details of life before the Flood These parallel the book of Genesis but diverge after Babel Read these amazingly similar accounts from every part of the world See how this informs your study of the Bible **So This Is Peace?** Frederick Grossman, 2014-04-28 As an old hippie Jesus freak I cannot help but question authority I have done so with established beliefs of major denominations I compare what denominations teach as sound doctrine and compare them to what the Bible the sole authority teaches in reality For example hell is accepted and taught as literal fire and eternal torment when Scripture actually reveals something opposite and totally different **Precious Volumes** Daniel L. Overmyer, 2020-08-25 Precious volumes or pao ch an were produced by popular sects in the Ming and early Qing dynasties These scriptures were believed to have been divinely revealed to sect leaders and contain teachings and ritual instructions that provide valuable information about a lively and widespread religious tradition outside mainstream Confucianism Taoism and Buddhism Largely neglected until now they testify to the imagination and devotion of popular religious leaders This book the most detailed and comprehensive study of pao ch an in any language studies 34 early examples of this literature in order to understand the origins and development of this textual tradition Although the work focuses on content and structure it also treats the social context of these works as well as their transmission and ritual use
All the Year Round , 1895 Surprised by Peace Frederick Grossman, 2013-10-17 Shortly after being saved I was sitting

on my porch enjoying the day Suddenly I felt an overwhelming feeling a special closeness with the God of Creation I tried to analyze this feeling and thought it must be a second work of grace I had heard about I called this experience divine unity As I spoke with mature believers I discovered they too had experienced this feeling it was called peace I had experienced times of peace but not this kind of peace This peace was supernatural I was later to learn this was Shalom or supernatural peace If there were no heaven this peace would be reward enough in and of itself It is my prayer that the readers of this book will come to faith believe in God and experience this divine peace
