Heaven Bound:

Heaven Bound , **Heaven Bound? I Don't Think So!** William R. Parlier, Are you confident you are going to heaven when you die But can your confidence endure the testing of this book Test yourselves to see if you are in the faith examine yourselves 2 Corinthians 13 5 Come now and let us reason together says the Lord Isaiah 1 18 Is what our religious culture telling us we must do to go to heaven consistent with the Bible This book provides a concise study of what the Bible says about salvation and the Gospel of Jesus Christ An analysis is then provided of what our religious culture is telling us Let s look at God s scriptures together You will be challenged with questions Why are you a Christian Why today should you be concerned about heaven What is the difference between conviction commitment and conversion The book concludes with three tests from the Bible to validate your destiny to heaven As you approach the end of the book will you conclude you passed the test or will you say I Don t Think so An incisive and timely corrective to the soteriology of today s Christian faith that is awash in easy believism and cheap grace Dr Mark Ford Pastor Does the Spirit Himself testify with your spirit that you are a child of God Order Now Great gift idea too Heaven Bound S. D'Alessandro,2018-08-17 My daily conversations with the Holy Spirit began long before I recognized them for what they are A Counselor within is a hard concept to fathom or explain In fact the indwelling presence of the One we call the Holy Spirit is such a mystery to our finite minds that we can and do spend endless hours ignoring debating or just flat out rejecting His wisdom and counsel The manner of hearing His voice for me is much like a thought exchange As I meditate or ponder and inquire of my Lord things that are on my mind He will provide interesting new or different thoughts as another person might when engaging in conversation Heaven Bound is a thirty one day collection of my early morning conferences with the Holy Spirit Rather than a how to formula for making a connection this book reflects what I experienced once the connection was made At the end of each chapter are points to ponder for deeper reflection as a personal devotional or for use as in a group study In this chaotic world that sometimes seems to be spiraling out of control God is reaching out to His creation and longs for His creation to respond My prayer for each reader is that through sharing what the Holy Spirit speaks to my heart you will hear Him speaking to yours The Spirit is calling Can you hear Him For more information please visit the companion websites click here [http www thespiritiscalling com](http://www.thespiritiscalling.com) click here [http www thespiritiscalling org](http://www.thespiritiscalling.org) **The Oneness of the**

Eastern Heart and the Western Mind Sri Chinmoy,2014-03-22 This historic collection of all of Sri Chinmoy s university lectures in eBook form has been released to commemorate the 50th anniversary of Sri Chinmoy s arrival in the West on 13 April 1964 Sri Chinmoy s very first university lecture was given at the University of the West Indies in Kingston Jamaica on 10 January 1968 It was entitled Spirituality What It Is and What It Is Not This inaugurated a whole era of talks which saw Sri Chinmoy travelling ceaselessly across the length and breadth of America and around the world to address the youth of each country He would spend countless hours travelling by car or train to reach far flung universities sometimes visiting two or even three in the course of a single day After many of these sublimely inspiring discourses he would answer questions from the audience or spend time instructing sincere seekers in the age old practices of concentration meditation and contemplation By the mid seventies Sri Chinmoy had spoken volumes and he began to include longer and longer periods of silent meditation in his lectures Then in 1984 in a significant departure from the spoken word he introduced the theme of Peace Concerts At these concerts Sri Chinmoy would play his own soulful and devotional compositions on a variety of instruments of both Eastern and Western origin meditating between each instrument and sometimes giving aphorisms on peace and related themes In 2003 yet another form of Sri Chinmoy s self offering unfolded when he travelled to a number of universities to honour distinguished professors for their significant contributions to the betterment of humanity by physically lifting them overhead This remarkable endeavour was part of his Lifting Up the World With a Oneness Heart award programme Thus through words silence music and a combination of physical and spiritual upliftment Sri Chinmoy has shared

his profound spiritual message with the aspiring Truth seekers and God lovers of the university world for four decades Sri Chinmoy's words are mantras for the modern age reverberating in our hearts with their timeless and truly life transforming wisdom In his exquisite prose which is suffused with the very breath and cadence of poetry Sri Chinmoy has revealed all the many stages of the seeker's journey towards the Golden Shores of the ever transcending Beyond For generations to come these three volumes will awaken the inner mounting cry of seekers everywhere to achieve the highest Goal of Yoga union with God in this life *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954*

theatre Racial segregation and conservative politics limited the Federal Theatre's ability to experiment with new ideas in the region Yet in North Carolina the Project thrived Amateur drama units became vibrant community theatres where whites and African Americans worked together Project personnel launched *The Lost Colony* one of the first so called outdoor historical dramas that would become its own movement The Federal Theatre sent unemployed dramatists including future novelist Betty Smith to the university to work with Koch and Green They joined other playwrights including African American writer Zora Neale Hurston who came to North Carolina because of their own interest in folk drama Their experience told in this book is a backdrop for each successive generation's debates over government cultural expression art and identity in the American nation
