An Introductory Study on China's Cultural Transformation in Recent Times Yunzhi Geng, 2014-10-22 This book examines in detail the basic trajectory of the cultural transformation and brings to light the extrinsic conditions and intrinsic mechanisms involved It focuses on the period from after the Opium Wars to the New Culture Movement as the New Culture Movement can be considered a pivotal phase in the cultural transformation of modern day China The New Culture Movement was a revolutionary eruption triggered by the accumulation of all the new qualitative cultural factors since the Opium Wars Superficially the movement's goal seemed to be to overthrow the traditional culture But in essence its true objective was to conduct an overall screening of that culture The book elaborates a broad variety of points in this context including the ideological and cultural evolution following the Opium Wars the pressing challenges faced by Zhong Ti the initial shaping of social public and cultural spaces and major trends in ideological and cultural transformation at the end of the Qing Dynasty the political disarray and conflicts between the new and old ideology in the first years of the Republic the rise of the New Culture Movement and the role of conservatism in the transition to a modern culture *Navigation and Nautical Astronomy ... Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
