Heirs Of The Prophet Muhammad The Two Paths Of Islam:

Sufi Heirs of the Prophet Arthur F. Buehler, 2022-10-18 An examination of the sources and evolution of personal authority in one Islamic society *Sufi Heirs of the Prophet* explores the multifaceted development of personal authority in Islamic societies by tracing the transformation of one mystical sufi lineage in colonial India the Naqshbandiyya Arthur F Buehler isolates four sources of personal authority evident in the practices of the Naqshbandiyya lineage spiritual traveling status as a Prophetic exemplar and the transmission of religious knowledge to demonstrate how Muslim religious leaders have exercised charismatic leadership through their association with the most compelling of personal Islamic symbols the Prophet Muhammad Buehler clarifies the institutional structure of sufism analyzes overlapping configurations of personal sufi authority and details how and why revivalist Indian Naqshbandis abandoned spiritual practices that had sustained their predecessors for more than five centuries He looks specifically at the role of Jama at Ali Shah d 1951 to explain current Naqshbandi practices

The Heirs of Muhammad Barnaby Rogerson, 2007-02-15 In this book the author recounts the lives of the handful of individuals the first four Caliphs the Prophet s widows and the conquering generals who led and influenced Islam after the death of Muhammad Within this fifty year span of conquest and empire building the author identifies the seeds of discord and civil war that destroyed the unity of Islam and traces the roots of the schism between Sunni and Shia Muslims to the rivalry of the two people who best knew and loved the Prophet his cousin and son in law Ali and his wife Aisha Dust jacket *The Literary Review* ,2006 **The Heirs of the Prophet** Liyakat N. Takim, 2012-02-01 2007 CHOICE Outstanding Academic Title After the death of the Prophet Muhammad different religious factions within the Muslim community laid claim to the Prophet s legacy Drawing on research from Sunni and Shi ite literature Liyakat N Takim explores how these various groups including the caliphs scholars Sufi holy men and the Shi ite imams and their disciples competed to be the Prophetic heirs The book also illustrates how the tradition of the heirs of the Prophet was often a polemical tool used by its bearers to demand obedience and loyalty from the Muslim community by imposing an authoritative rendition of texts beliefs and religious practices Those who did not obey were marginalized and demonized While examining the competition for Muhammad s charismatic authority Takim investigates the Shi ite self understanding of authority and argues that this was an important factor in the formation of a distinct Shi ite leadership The Heirs of the Prophet also provides a new understanding of textual authority in Islam by examining authority construction and the struggle for legitimacy evidenced in Islamic biographical dictionaries

The Genealogy of Terror Matthew L. N. Wilkinson,2018-10-03 In the first two decades of the twenty first century the events of 9 11 7 7 the War on Terror and the Caliphate and atrocities of the so called Islamic State have dominated Western consciousness and wreaked havoc in parts of the Muslim majority world In their wake a spate of books has been written explaining the phenomenon of Islamist radicalisation and Jihadism Nevertheless for normal citizens as well as scholars of religion and legal professionals the crucial question remains unanswered how is mainstream Islam different from both Islamism and the Islamist Extremism that is used to justify terrorist violence In this highly original book which draws upon the author s experience as an expert witness in Islamic theology in 27 counter terrorism trials the author uses the idea of the Worldview as well as traditional Islamic theology to answer this question The book explains not only what Mainstream Islam Ideological Islamism and Islamist Extremism are in their broad philosophical characteristics and theological particulars but also explains comprehensively how and why they are both superficially related and yet essentially and fundamentally different In so doing the book also illuminates the cast of characters and the development of their ideas

that constitute Mainstream Islam Ideological Islamism and the Non Violent and Violent Islamist Extremists who constitute the Genealogy of Terror

Understanding the Hadith Ram Swarup, 2011-04-29 Noted Indian writer and polymath Ram Swarup explores the meaning of Islam through the words of the Sahih Muslim considered by Muslims to be one of the most authoritative of the collections of traditions Arabic Hadith about the life of the Prophet Muhammad Like the Koran these traditions are believed to be divinely revealed by Allah and they complement the verses of the Koran in many cases expanding upon them and explaining the context of their revelation As Swarup notes in his introduction to Muslims the Hadith literature represents the Koran in action stories of revelation made concrete in the life of the Prophet Among the orthodox they are considered as sacred as the Koran itself Swarup is plainly skeptical of the claim that the Hadith literature is divinely inspired In the introduction he says The Prophet is caught as it were in the ordinary acts of his life sleeping eating mating praying hating dispensing justice planning expeditions and revenge against his enemies The picture that emerges is hardly flattering One is left to wonder how the believers generation after generation could have found this story so inspiring The answer is that the believers are conditioned to look at the whole thing through the eyes of faith To them morality derives from the Prophet s actions his actions determine and define morality The Sahih Muslim a massive work consisting of 7 190 traditions divided into 1 243 chapters is hardly accessible to the average reader so Swarup quotes representative selections that touch upon the main tenets of Islam faith purification prayer fasting pilgrimage marriage and divorce crime and punishment religious wars jihad paradise hell repentance and many other features of the religion To non Muslims this work provides many insights into the mindset of the average Muslim who is raised on these traditions about Muhammad It also underscores the gulf that exists between the sanctum of orthodox Islam and an increasingly secularized Westernized world

Living Knowledge in West African Islam Zachary Valentine Wright, 2015-02-04 Living Knowledge in West African Islam examines the actualization of religious identity in the community of Ibr h m Niasse d 1975 Senegal With millions of followers throughout Africa and the world the community arguably represents one of the twentieth century s most successful Islamic revivals Niasse s followers members of the Tij niyya Sufi order gave particular attention to the widespread transmission of the experiential knowledge ma rifa of God They also worked to articulate a global Islamic identity in the crucible of African decolonization The central argument of this book is that West African Sufism is legible only with an appreciation of centuries of Islamic knowledge specialization in the region Sufi masters and disciples reenacted and deepened preexisting teacher student relationships surrounding the learning of core Islamic disciplines such as the Qur n and jurisprudence Learning Islam meant the transformative inscription of sacred knowledge in the student s very being a disposition acquired in the master s exemplary physical presence Sufism did not undermine traditional Islamic orthodoxy the continued transmission of Sufi knowledge has in fact preserved and revived traditional Islamic learning in West Africa

An Introduction to Islamic Cosmological Doctrines Seyyed Hossein Nasr, 1993-01-01 This is the only book to deal with classical Islamic cosmology as it

was formulated by the Ikhwan al S afa al Biruni and Ibn Sina during the tenth and eleventh centuries These figures influenced all the later centuries of Islamic history and in fact created the cosmological framework within which all later scientific activity in the Islamic world was carried out the enduring image of the cosmos within which Muslims have lived during the past millennium Nasr writes from within the Islamic tradition and demonstrates how based on the teachings of the Quran and the Prophet the figures treated in this work integrated elements drawn from various ancient schools of philosophy and the sciences This book is unique in its treatment of classical Islamic cosmology as seen from within the Islamic world view and provides a key for understanding of traditional Islamic thought Back cover **Singing with the Mountains**

William Sherman,2023-12-05 An illuminating story of a Sufi community that sought the revelation of God In the Afghan highlands of the sixteenth century the messianic community known as the Roshaniyya not only desired to find God s word and to abide by it but also attempted to practice God s word and to develop techniques of language intended to render their own tongues as the organs of continuous revelation As their critics would contend however the Roshaniyya attempted to make language do something that language should not do infuse the semiotic with the divine Their story thus ends in a tower of skulls the proliferation of heresiographies that detailed the sins of the Roshaniyya and new formations of Afghan identity In *Singing with the Mountains* William E B Sherman finds something extraordinary about the Roshaniyya not least because the first known literary use of vernacular Pashto occurs in an eclectic Roshani imitation of the Qur an The story of the Roshaniyya exemplifies a religious culture of linguistic experimentation In the example of the Roshaniyya we discover a set of questions and anxieties about the capacities of language that pervaded Sufi orders imperial courts groups of wandering ascetics and scholastic networks throughout Central and South Asia In telling this tale Sherman asks the following questions How can we make language shimmer with divine truth How can letters grant sovereign power and form new ethnic identities and ways of belonging How can rhyme bend our conceptions of time so that the prophetic past comes to inhabit the now of our collective moment By analyzing the ways in which the Roshaniyya answered these types of questions and the ways in which their answers were eventually rejected as heresies this book offers new insight into the imaginations of religious actors in the late medieval and early modern Persianate worlds *Islam* Roberto Tottoli,2020-10-27 Exploring complex relations between Muslim visions and critical stances this textbook is a compact introduction to Islam dealing with the origins of its forms from early developments to contemporary issues including religious principles beliefs and practices The author s innovative method considers the various opposing theories and approaches between the Islamic tradition and scholars of Islam Each topic is accompanied by up to date bibliographical references and a list of titles for further study while an exhaustive glossary includes the elementary notions to allow in depth study Part I outlines the two founding aspects the Qur an and Prophet Muhammad highlighting essential concepts according to Islamic religious discourse and related critical issues In Part II the emergence of the religious themes that have characterised the formation of Islam are explored in terms

of historical developments Part III on contemporary Islam examines the growth of Islam between the end of the Middle Ages and the beginning of the modern age Advanced readers already familiar with the elementary notions of Islam and religious studies will benefit from Islam that explores the development of religious discourse in a historical perspective This unique textbook is a key resource for post graduate researchers and academics interested in Islam religion and the Middle East

In God's Path Robert G. Hoyland,2015 A groundbreaking work that delivers a fresh account of the Arab conquests incorporating the latest research in Late Antique history Major Issues in Islam Harvey J. Sindima,2017-11-02 This book explores matters that have negatively affected the public image and led to distorted depictions of Islam from the late nineteenth century to the present The areas of uneasiness and debate among Muslims and non Muslims alike include Islamic values and identity in the post caliphate era after colonialism and now under Western hegemony There is anxiety about the place of Shari'a in the light of Western law and the state secularism democracy human rights the equality of women and the place of Islamic education in transmitting Islamic values as secular education dominates societies There are apprehensions over the relation between religion and politics as in the rise of Muslim Brotherhoods Wahhabism Islamism al Qaeda and Islamic State In non Muslim countries concerns are about the status of Muslim marriage polygamy divorce and interest in business Every topic is examined through the Noble Qur'an and the Hadith classical writings and linguistic analysis Islam and Other Religions Irfan Omar,2013-09-13 This collection of essays assesses various dimensions of dialogue between Islam and other religions especially Christianity This book celebrates the work of Professor Mahmoud Ayoub and reflects the themes that are central in his scholarship spanned over the last three decades and which are more relevant than ever at the inauguration of the twenty first century The themes reflected are the Qur'an and hadith theology and philosophy and Islam's interaction with other religions Ayoub needs no introduction to those familiar with and engaged in inter religious dialogue in general and Muslim Christian Jewish dialogue in particular He is a well known Muslim scholar and historian of religion currently director of the Islamic studies program in the department of religion at Temple University in Philadelphia His broad area of interest is of course Islamic studies but he has also exerted considerable scholarly efforts in comparative religion As evidenced from Dr Ayoub's works he moves with ease between philosophy and mysticism scripture and tradition and between Islam and other religions As a Muslim Ayoub has provided a model of being religious which combines openness to others without compromising rigorous historical scholarship Contributors to this volume include some of his close friends and colleagues as well as former students both Muslim and Christian This book was previously published as a special issue of Islam and Christian Muslim Relations Journey to the End of Islam Michael Muhammad Knight,2009-12-10 In Journey to the End of Islam Michael Muhammad Knight whose work has led to him being hailed as both the Jack Kerouac and Hunter S Thompson of American Islam wanders through Muslim countries navigating between conflicting visions of his religion Visiting holy sites in Pakistan Syria Egypt and Ethiopia Knight engages both the puritanical Islam promoted by Saudi

globalization and the heretical strands of popular folk Islam shrines magic music and drugs The conflict of global and local Islam speaks to Knight s own experience approaching the Islamic world as a uniquely American Muslim with his own sources the modern mythologies of the Nation of Islam and Five Percenters as well as the arguments of Progressive Muslim thinkers for feminism and reform Knight s travels conclude at Islam s spiritual center the holy city of Mecca where he performs the hajj required of every Muslim During the rites of pilgrimage he watches as all variations of Islam converge in one place under the supervision of Saudi Arabia s religious police What results is a struggle to separate the spiritual from the political Knight searching for a personal relationship to Islam in the context of how it s defined by the external world HEIRS OF THE
