intersection of Puritan theology Puritan evaluations of womanhood and the Salem witchcraft episodes She finds in those intersections the basis for understanding why women were accused of witchcraft more often than men why they confessed more often and why they frequently accused other women of being witches In negotiating their beliefs about the devil s powers both women and men embedded womanhood in the discourse of depravity Puritan ministers insisted that women and men were equal in the sight of God with both sexes equally capable of cleaving to Christ or to the devil Nevertheless Reis explains womanhood and evil were inextricably linked in the minds and hearts of seventeenth century New England Puritans Women and men feared hell equally but Puritan culture encouraged women to believe it was their vile natures that would take them there rather than the particular sins they might have committed Following the Salem witchcraft trials Reis argues Puritans understanding of sin and the devil changed Ministers and laity conceived of a Satan who tempted sinners and presided physically over hell rather than one who possessed souls in the living world Women and men became increasingly confident of their redemption although women more than men continued to imagine themselves as essentially corrupt even after the Great Awakening Heaven Awaits Michael Youssef,2024 Is There Something More Than This Life This world is full of crises and conflicts difficulties and troubles but this world will not last No matter what your age is your earthly life is slowly slipping away This is why Jesus encourages us not to store treasures on this earth In other words invest in heaven In Heaven Awaits you will explore what the Bible says about heaven and begin to envision the wonders and glories that await you Heaven is real And throughout these pages you will discover that your eternal home is far more real than your earthly experience right now As such you will be energized to live each day in light of that awe inspiring reality Heaven Awaits will serve as your eternal investment guide by helping you Envision the 9 blessings of heaven which include the joy of no longer experiencing any loss to the freedom from the pain of disillusionment Explore the 8 facets of heaven which includes the rest that you will experience to the abundant life that you are destined to possess Discover the 10 benefits of heaven which includes the loving family whose company you will enjoy for eternity and the meaning and purpose that you will experience forever With this book you can train your soul to anticipate what awaits you as well as shape how you live right now
