THE GUIDE TO BETTER PRAYERS Dave Dailey, 2020-11-14 This book is a prayer book and it contains teachings on prayer prayer guides and other bonus material Many of us if honest struggle with prayer and really do not understand prayer or how prayer works The truth is from our earthly perspective we think why bother things are going happen and the world will carry on whether we pray or not Hopefully and prayerfully this book will help you see that we do not know everything and prayer does work In this book there are guided prayer prompts with scripture to help you pray the will of God Many of the prayer guides were developed during a year of leading a prayer ministry Every week under the Holy Spirit s guidance I wrote prayer guides that we used as a church These guides were highly effective in leading us to the Throne Room This book is designed to be a launching platform that is biblically based and as such the Holy Spirit will use them powerfully Many prayers were written to meet certain prayer needs with powerful results The first thing I learned about prayer is first it is like a muscle that must be exercised Second wisdom is the greatest thing to be gleaned from prayer because many times we in our earthly view cannot understand God and prayer We can become skeptical of prayer if wisdom is not gleaned Third relationships are built through prayer and trust is built between the parties I have come to realize this is the reason many of our prayers are not answered Until I came into the sanctuary of God Then I understood for I considered their end Psalm 73 17 Why this book I was saved in a revival service where the presence of God was extremely tangible The people who led it were people of prayer and the results showed After the meeting I found out there was a group of college age students who were praying for revival the very revival where I was saved I went to the prayer meeting and when I heard their prayers I realized and exclaimed you guys were praying for me Ever since that time in February 2002 I have been a person of prayer and always found a group of

people of prayer My life has never been the same and yours will not be either Removing Obstacles through Prayer and Fasting Theodore Andoseh,1901 This was the 20th collective prayer crusade since brother Zach went to be with the Lord during which the Lord wanted to do two things to consolidate our ministry He wanted to establish the Zach Fomum s ministry among his ZTF own people to consolidate the decisions that were taken by the whole ministry during the third world convention the accomplishment of our God revealed goal of Phase 3 Each night an average of 1 000 brethren gathered in Koume to cry out to the Lord for these objectives while multitudes from 185 nations on all the six continents plugged in each night via radio and television average of 678 unique hubs God was fully at work In this volume we have laboured to compile the daily proceedings from the two slots on global and national intercession on actual conditions standing on God s way according to 1 Timothy 2 and praying for the goal of Phase three May the Lord visit you and your service for Him as you relive these redefining moments **TRUE SELF** Nicole Njike-Bobga,2024-12-02 TRUE SELF unlocks the power that is within you by giving you tips that will activate your authentic living in whatever scenario in which you find yourself Living a repentant life is good however living a blameless life is pertinent Allowing God to guide your path is far best than using our best shrewdness which most often ends up being futile Through this book Nicole encourages you to access the various aspects in which you are called to live worthy and to walk in dominion knowing that you were sent by He who owns the world So are you ready for this journey Then come with me Edwards on Revivals; containing a Faithful Narrative ... Also, Thoughts on the revival of religion ... with introductory preface by ... J. A. James. Revised, with notes and introduction, by W. Patton Jonathan Edwards,1839 *Make God Your Senior Partner* Thor Holubowich,2004-11 Anyone who is struggling spiritually mentally physically socially and or financially can touch God s heart by reading this daily directional step by step book Christianity Daily Life *God's Plan* Andrea Erickson Lindsey,2024-03-04 One of the most important things we can do as parents and leaders as we read and search the scriptures is to attend carefully and focus seriously on the points of doctrine taught by apostles and prophets The author of this book quoted President Boyd K Packer s marvelous statement about how the teaching of doctrine changes lives and builds faith and testimony like nothing else can That being true it is crucial that parents or caretakers utilize every occasion to help children understand the doctrine of the gospel of Jesus Christ Familiarity with doctrine can give them a proper perspective on life fortify them against the wiles and temptations of the devil help them find comfort in difficult times bring the Holy Spirit into their daily walk and talk and come to know their Lord and Savior in ways that nothing else can Any effort therefore to assist children in understanding the doctrine found in holy scripture and the teachings of latter day apostles and prophets can be fundamental and foundational for our little ones In that spirit I applaud the effort of Andrea Erickson Lindsey to help parents help children Having worked successfully as a seminary teacher within the Church Educational System she is able to present the doctrine of the Church in a clear and understandable manner Andrea is a former student of mine and so I know something of her earnest desire patience and

perseverance in pushing forward this project It is my hope that the lessons and examples provided within this book will assist parents and loved ones to bring the children up in the nurture and admonition of the Lord Ephesians 6 4 see also Enos 1 1

About the Author Andrea Erickson Lindsey received her master s degree in religious education from Brigham Young University in 2009 She was a Professional Religious Educator for The Church of Jesus Christ of Latter day Saints teaching both Seminary and Institute She taught at Education Week EFY Especially for Youth and Best of EFY for several years Her extensive training and experience in working with and teaching the youth is an important and valuable resource for parents during these difficult times
