Sex Museums Jennifer Tyburczy,2016-01-11 Museums have lengthy history going back to the Renaissance Cabinets of Curiosity and they are indices of changing fashions of perception insofar as the categories museum curators use to classify objects change over time The major focus of Tyburczy s study is sexuality on display which sets up in turn her investigation of the effects of museum display on the history of sexuality Historical context for the museum is one of her themes and how categories of normacy and perversity change over time with another themes being the work of sex museums in redefining what sex means in the modern public sphere she also folds in consideration of the pleasures and dangers of exhibiting marginalized sexual subjects women nonwhite races LGBT individuals and the like last she explores the paradox of asserting as she does that all museums are sex museums bodies move around and toward objects on display they reshape the typical dances of museum goers along with their preconscious motivations in visiting a museum She proposes that explicit display or restagings of sexual artifacts provides new ways for approaching and understanding issues of desire sexual identity and sexual practices as they intersect with the history of the modern museum and with sexual history during the past two centuries Her fieldwork sites are the Leather Archives Museum in Chicago the Museum of Sex in New York the World Erotic Art Museum in Miami Beach and El Museo del Sexo in Mexico City Such institutions allow Tyburczy to show how alternative sexuality inclusive of kink fetish and sadomasochistic cultures and slavery dangerously crisscross on the surface of objects There are plenty of cases here in short to keep the casual reader titillated and the erudite reader surprised **A Practical**

Guide to Museum Ethics Sally Yerkovich,2016-03-07 Are your collections up for grabs Does the spouse of one of your trustees have too much to say about developing the exhibition schedule How much is too much public participation Where does a curator s authority begin and end With money increasingly difficult to raise is a museum more likely to accede to potential funders demands even when those demands might compromise the museum s integrity When a museum is struggling with debilitating debt should the sale of selected items from its collections and the use of the resulting proceeds

bring the museum into a more stable financial position When a museum attempts to build its attendance and attract local visitors by crowdsourcing exhibitions is it undermining its integrity Ethical questions about museum activities are legion yet they are usually only discussed when they become headlines in newspapers Museum staff respond to such problems under pressure often unable to take the time required to think through the sensitive and complex issues involved Grounded in a series of case studies A Practical Guide to Museum Ethics confronts types of ethical dilemmas museums face and explores attempts to resolve them in chapters dealing with accessibility disability and diversity collections conflict of interest governance management deaccessioning and accountability and transparency Suitable for classroom use as well as a professional reference here is a comprehensive practical guide for dealing with ethical issues in museums

Interpreting Difficult History at Museums and Historic Sites Julia Rose, 2016-05-02 Interpreting Difficult History at Museums and Historic Sites is framed by educational psychoanalytic theory and positions museum workers public historians and museum visitors as learners Through this lens museum workers and public historians can develop compelling and ethical representations of historical individuals communities and populations who have suffered It includes various examples of difficult knowledge detailed examples of specific interpretation methods and will give readers an in depth explanation of the psychoanalytic educational theories behind the methodologies Audiences can more responsibly and productively engage in learning histories of oppression and trauma when they are in measured and sensitive museum learning environments and public history venues To learn more check out the website here <http://interpretingdifficulthistory.com>

Making Histories Paul Ashton, Tanya Evans, Paula Hamilton, 2020-09-21 If historical culture is the specific and particular ways that a society engages with its past this book aims to situate the professional practice of public history now emerging across the world within that framework It links the increasingly varied practices of memory and history making such as genealogy podcasting re enactment family histories memoir writing film making and facebook histories with the work that professional historians do both in and out of the academy Making Histories asks questions about the role of the expert and notions of authority within a landscape that is increasingly concerned with connection to the past and authenticity The book is divided into four parts 1 Resistance Rights Authority 2 Memory Memorialization Commemoration 3 Performance Transmission Reception 4 Family Private Self The four sections outline major themes emerging in public history across the world in the 21st century which are all underpinned by the impact of new media on historical practice and our central argument for the volume which advocates a more capacious definition of what constitutes public history

Out of the Closet, Into the Archives Amy L. Stone, Jaime Cantrell, 2015-11-20 Finalist for the 2016 Lambda Literary Award in LGBT Anthology presented by the Lambda Literary Foundation Out of the Closet Into the Archives takes readers inside the experience of how it feels to do queer archival research and queer research in the archive The archive much like the closet exposes various levels of public and privateness recognition awareness refusal impulse disclosure framing silence cultural intelligibility each mediated and

determined through subjective insider outsider ways of knowing The contributors draw on their experiences conducting research in disciplines such as sociology African American studies English communications performance studies anthropology and women s and gender studies These essays challenge scholars to engage with their affective experience of being in the archive illuminating how the space of the archive requires a different kind of deeply personal embodied research Out of the Closet Into the Archives represents the exciting directions for scholarship enabled by this rapid growth of new LGBTQ archives Although mindful of critiques of the archive as an institution of power and attentive to experiences and ephemerality that can escape it the essays published here practice forms of the archival turn that put relentless curiosity and unapologetic passion to use as methods for intellectual invention from the Foreword by Ann Cvetkovich *Folio*, 1882

The Top Books of the Year Hide Seek The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Hide Seek : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
