High Heaven:

Earth and High Heaven Gwethalyn Graham, 2022-08-16 Gwethalyn Graham's *Earth and High Heaven* is a poignant exploration of class culture and the complexities of love set against the backdrop of a pre World War II Canada. The novel masterfully weaves elements of romance and social commentary employing a lyrical yet accessible prose style that mirrors the emotional turbulence of its characters. With a keen eye for detail, Graham draws on the cultural and societal norms of her time, creating a rich tapestry of life that reflects the dichotomy between aspiration and reality, particularly through the lens of her protagonist navigating a world fraught with prejudice. Gwethalyn Graham was an influential Canadian novelist whose experiences as a woman in an evolving society profoundly shaped her narrative voice. Born in 1901, her background in literature and her awareness of the social mores of her time compelled her to portray the struggles of her characters with empathy and insight. Graham's own encounters with social issues and her keen observations of the world around her likely informed the compelling conflicts at the heart of *Earth and High Heaven*. This essential read is recommended for anyone interested in the intersection of personal and societal struggles, as it provides a rich understanding of human relationships against the constraints of societal expectations. Graham's craftsmanship in character development and her ability to capture the spirit of her age make this novel a timeless exploration of love and identity.

An Esoteric Map of the Cosmos Rev. C.E. Hogan, 2011-04-25 This book is a simple guide to understanding the Esoteric meaning of God and the Divine Cosmos. Channeled with the upmost clarity for the average person, this book answers some of the really big deep questions about the nature of existence such as 1 Who and what is God? Is God truly a loving Being? Does God care about and intervene in our lives? How does God figure in the recent discoveries of cosmology such as The Big Bang theory? 2 Why am I here? Is there any purpose to my life? How can I make my life more meaningful? Is there a spiritual way I can empower myself? 3 What happens after I die? Is this life all that there is? Where was I before I was born? Will I be coming back in a human or other type of life form? Does heaven exist? 4 Why do bad things happen to good people? How can a loving God allow good people to suffer and bad people to flourish? Why am I still alive while others my age or younger have passed away? Can we stop bad things from happening to us and the ones we love? Is there any power in prayer? The *Ascended Masters* allow the reader to visualize a new way to think about themselves and the very nature of reality.

The God Susanoo and Korea in Japan's Cultural Memory David Weiss, 2022-01-13 This book discusses how ancient Japanese mythology was utilized during the colonial period to justify the annexation of Korea to Japan, with special focus on the god Susanoo. Described as an ambivalent figure and wanderer between the worlds, Susanoo served as a foil to set off the sun goddess who played an important role in the modern construction of a Japanese national identity. Susanoo inhabited a sinister otherworld which came to be associated with colonial Korea. Imperialist ideologues were able to build on these interpretations of the Susanoo myth to depict Korea as a dreary realm at the margin of the Japanese empire that made the imperial metropole shine all the more brightly. At the

same time Susanoo was identified as the ancestor of the Korean people Thus the colonial subjects were ideologically incorporated into the homogeneous Japanese family state The book situates Susanoo in Japan s cultural memory and shows how the deity while being repeatedly transformed in order to meet the religious and ideological needs of the day continued to symbolize the margin of Japan
