

Leather Look *afloat for Spring*

The "Leather Look" is the look of fashion for spring! All across the country the "Leather Look" looks to follow... and for good reason. Its business suits and evening gowns offer leather with the quality and grace of spring. Therefore, spring is the perfect time to wear leather exactly right. That's why

leather can give you that touch of individuality. In short, leather, leather, please! Make leather a part of your wardrobe. Leather means quality, value and a feeling that it's yours. You'll find more in leather than "The Leather Look" alone can give! *— JAMES M. HARRIS —*

The Other Worldview Peter Jones,2015-06-24 A must read for every concerned American and especially for every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone **Recherches**

Théâtrales Au Canada ,2000 *Turbulence Aloft* John R. M. Wilson,1979 *Moscow Performances II* John Freedman,2005-06-28 This is a collection of John Freedman s reviews and articles most originally written for the Moscow Times in which he focuses his expert critical eye on the directors writers and actors who held centre stage during the 1996 97 theatre season in Moscow The book looks at the debut of promising new artists and directors at the Moscow Art Theatre celebrating its 100th anniversary this year and offers a wealth of insight into the latest developments in Russian theatre Freedman illuminates all of the season s noteworthy trends and events in clear informed and unapologetically opinionated reports More than just an overview of the stars and highlights *Moscow Performances II* observes at close range the playhouses and the people who make up the ever changing face of contemporary Russian theatre today This volume is generously illustrated with photographs of featured productions and will be a useful reference for students professors writers directors and actors in the fields of Russian studies theatre studies theatre history and contemporary culture [Against Sex](#)

Kara M. French,2021-04-27 How much sex should a person have With whom What do we make of people who choose not to have sex at all As present as these questions are today they were subjects of intense debate in the early American republic In this richly textured history Kara French investigates ideas about and practices of sexual restraint to better understand the sexual dimensions of American identity in the antebellum United States French considers three groups of Americans Shakers Catholic priests and nuns and followers of sexual reformer Sylvester Graham whose sexual abstinence provoked almost as much social moral and political concern as the idea of sexual excess Examining private diaries and letters visual culture and material artifacts and a range of published works French reveals how people practicing sexual restraint became objects of fascination ridicule and even violence in nineteenth century American culture *Against Sex* makes clear that in assessing the history of sexuality an expansive view of sexual practice that includes abstinence and restraint can shed important new light on histories of society culture and politics **Bridge and Tunnel Boys** Jim Cullen,2023-10-13 Born four months apart Bruce Springsteen and Billy Joel both released their debut albums in the early 1970s quickly becoming two of the most successful rock stars of their generation While their critical receptions have been very different surprising parallels emerge

when we look at the arcs of their careers and the musical influences that have inspired them *Bridge and Tunnel Boys* compares the life and work of Long Islander Joel and Asbury Park New Jersey native Springsteen considering how each man forged a distinctive sound that derived from his unique position on the periphery of the Big Apple Locating their music within a longer tradition of the New York metropolitan sound dating back to the early 1900s cultural historian Jim Cullen explores how each man drew from the city's diverse racial and ethnic influences His study explains how despite frequently releasing songs that questioned the American dream Springsteen and Joel were able to appeal to wide audiences during both the national uncertainty of the 1970s and the triumphalism of the Reagan era By placing these two New York area icons in a new context *Bridge and Tunnel Boys* allows us to hear their most beloved songs with new appreciation [Allies for Armageddon](#)

Victoria Clark, 2007-01-01 Clark explores the 400 year history of this powerful political ideology from its beginnings among the Puritans of 17th century England to the present day United States where Christian Zionists wield unprecedented influence
