or screen Marilyn Casto shows that nineteenth century Kentucky audiences however not only expected elaborate decor but considered it a delightful part of the theatergoing experience Embellished arches and painted and gilded walls and ceilings enhanced the theatricality of the performance while adding to the excitement of an evening out In *Actors Audiences and Historic Theaters of Kentucky* Casto investigates the social and architectural history of Kentucky theaters paying special attention to the actors who performed in them and the audiences who saw it all A captivating glimpse into a disappearing slice of American popular culture her work examines what people considered entertaining what they hoped to gain from theatergoing and how they chose and experienced the theaters architectural settings In the social and physical design of these theaters Casto explores nearly two centuries of the state's and nation's cultural history **Forthcoming Books** Rose Army, 2001-06 **Thrillers, Chillers, and Killers** Frank Krutnik, 2025-05-13 Film noir is one of the most exciting and most debated products of studio era Hollywood but did you know that American radio broadcast many programs in the noir vein through the 1940s and 1950s These included adaptations of such well known films as *The Maltese Falcon* *Murder My Sweet* and *Double Indemnity* detective series devoted to the adventures of private eyes Philip Marlowe and Sam Spade and the spine tingling anthology programs *Lights Out* and *Suspense* *Thrillers Chillers and Killers* is the first book to explore in detail noir storytelling on the two media arguing that radio's noir dramas played an important role as a counterpart to influence on or a spin off from the noir films Besides shedding new light on long neglected radio dramas and a medium that was cinema's major rival this scrupulously researched yet accessible study also uses these programs to challenge conventional understandings of the much debated topic of noir **The Official Overstreet** Robert M.
