High Calling:

The High Calling Charles M. Sheldon, 2019-12-02 In *The High Calling* Charles M. Sheldon weaves a compelling narrative that explores the spiritual and moral dimensions of everyday life through the lens of a fictive community grappling with transformative challenges. This didactic work employs a straightforward yet engaging prose style typical of late 19th century American literature, marked by its emphasis on moral instruction and social reform. The novel deftly navigates themes of faith, service, and the quest for meaning, reflecting the growing social gospel movement that sought to apply Christian ethics to social issues of the time. Sheldon, a prominent minister and social activist, drew upon his deep convictions of faith and his commitment to the Methodist Church to craft this thought-provoking narrative. His life and experiences in a rapidly changing America, marked by industrialization, urbanization, and social upheaval, fueled his belief in the necessity of applying Christianity to real-world concerns. *The High Calling* reflects not only Sheldon's personal ideals but also a broader cultural imperative to enact positive change through faith-based action. This novel is highly recommended for readers seeking an inspiring exploration of faith in action. Sheldon's work challenges us to examine our own lives and the choices we make, encouraging readers to live a life driven by purpose and responsibility. As relevant today as it was over a century ago, *The High Calling* remains a powerful testament to the enduring impact of living one's beliefs. *High Calling* Rick

Joyner, 2011-07-28 Your calling is higher than you imagine. *High Calling: 50 Days to a Soaring Vision* is a daily devotional designed to open the eyes of your heart to see clearly the realities of the spiritual realm and unite with the heart of God. Vision is essential for all truly significant accomplishments. Spiritual vision is essential for all spiritual accomplishments. Daily topics include: Who Can Discern Truth? Vision With Power Breakthrough in the Air. Intimacy Versus Familiarity. Witnessing to Principalities and Powers. Hesitating Between Opinions. God is Spirit and God is supernatural. You were created to fellowship with God, and there is a spiritual void in you that yearns for the spiritual supernatural realm. If you do not fill that void with the Truth, you will be influenced or tempted by the false. But the goal of our instruction is love from a pure heart and a good conscience and a sincere faith. 1 Timothy 1:5 NASB. Discover your High Calling daily, and you will be one who touches earth with the truth of eternity and change the world you walk in for His glory. **The High Calling** Charles Monroe

Sheldon, 2020-12-08 In *The High Calling* Charles Monroe Sheldon presents a compelling narrative that interweaves themes of faith, purpose, and social responsibility within the context of early 20th century America. This inspirational work is characterized by its engaging prose and didactic tone, inviting readers to consider the essence of true Christian living through the lives of its characters. The book serves as both a novel and a moral guide, encouraging individuals to seek a higher calling in their daily lives, mirroring the emerging social gospel movement which sought to integrate faith with social justice. Sheldon, a prominent Congregational minister and social reformer, drew from his own experiences in addressing the moral crises of his time. His deep-rooted belief in the transformative power of faith propelled him to write this novel, aiming to

challenge and inspire his contemporaries to embody the Christian virtues of compassion and service Through the vivid depictions of his characters struggles and triumphs Sheldon offers a reflection on the vital intersection of spirituality and social consciousness The High Calling is a timeless exploration of the pursuit of a meaningful faith driven life making it an essential read for anyone seeking inspiration to engage with their community on a deeper level It resonates with readers who desire to apply their beliefs to everyday situations and who yearn to contribute positively to society Shelly s narrative remains relevant inviting both introspection and action

Devotional - A Higher Calling Oneness Rehoboth,2019-01-01 Call unto me and I will answer thee and shew thee great and mighty things which thou knowest not Jeremiah 33 3 KJV It is with the most earnest faith that we the children of God enter into the January 2019 season of consecration We believe the word of God that emphatically states that we should call and he will hear and answer and ultimately give us revelations beyond our imagination We urge you to join with us as we delve into this year s devotional entitled A Higher Calling In this edition you will learn ways to get to the place where God promised to show you things you have never seen before A place where you will find fulfillment and become fully functional in the areas of your calling Pastor A Thomas Senior Pastor calls on every child of God every family as well as each member of the community both young and old to a time of prayer consecration and bible studies as you seek God for direction for your lives Come on let us go up to the mountain of his Holiness Adjusting to God's High Calling Silvanus Oluoch,2010-07-30 Adjusting to God s High Calling is about God s desire intentions and interactions with the humans which He intended from time immemorial It is a call to the Divine realms of higher living in Christ Jesus It explains that within the Divine purpose God s desire is the flowing forth of His life into and through His people but which can be hindered It also points out that true Christianity is presently being inundated in the human traditions and philosophies within the religious sector turning it into many things it is not The book posits it is simply God s dynamically balanced life of grace in the Spirit lived in oneness with the reigning Lord True Christianity therefore Is not constant prideful protestations arguments and hatred among its various constituencies over their points of belief Is not intellectualism theological or otherwise though it is not against either Is not

emotionalism based solely on people's experiences though it is not against emotional expression Is neither simply knowing nor subscribing to the right doctrines Is not all grace or love alone Adjusting to God's High Calling discusses these and other factors in the following phases The Divine Importunity for the Call The Divine Intentions of the Call The Divine Interactions within the Call It will clarify God's purpose for your life moving you to do everything with love The High Calling of God Jim Wainscott,2018-07-18 The High Calling of God is a practical how to resource written to assist devoted followers of Christ in their pursuit of God's ultimate prize to be recognized as overcomers before the Judgment Seat of Christ Specific topics include the often overlooked dangers created by the subtle influence of liberal values upon the Church a review of God's revealed plan for His redeemed saints both here on earth and in the coming Kingdom the eternal significance of being recognized as an overcomer before the Judgment Seat of Christ the extreme importance of extending grace to others and the surprising impact of this practice on one's own spiritual growth and future rewards before the Judgment Seat a Bible based self assessment exercise that will assist believers in identifying their current levels of spiritual progress the emergence of an eleventh hour army of overcomers the size of which will be unparalleled in Church history and how to effectively cooperate with the Holy Spirit as He progressively transforms His overcoming recruits into men and women who will one day reflect the glorious image of Christ Respond as Isaiah did when he shouted Here am I Send me Isa 6 8 Will You Accept God's High Calling? Alan Drake,2024-10-16 You are at a crossroads You can either accept the higher calling that God is offering you or you can go on with business as usual The verse that you need to be aware of in this hour is 2 Chronicles 16 9 For the eyes of the LORD run to and fro throughout the whole earth to give strong support to those whose heart is blameless toward him ESV The Lord is searching the whole earth to find someone who will accept His high calling If you accept His high calling the Lord is standing by to strongly support you in it If you decide to go on with business as usual the eyes of the Lord will move on to look for someone else and He will take this offer to them **The Rare Jewel of Christian Contentment, Etc. [The Preface Signed: Thomas Goodwin [and Others]].** Jeremiah BURROUGHS (Puritan Divine.),1685 **Rare Jewel of Christian Contentment** Jeremiah Burroughs,2001-03 Anyone who lacks true contentment may find it in this book If not it will be because that one would not follow the very clear and simple instructions given The teaching is from the Bible yet it must be described as unique Nowhere else will you find such unusual but Biblically authenticated thoughts He will teach you that contentment lies in subtraction not in addition that the ABC's of Christianity are nothing like what you thought them to be that there is a mystery of contentment but that once you have learned the way from Christ's word you will be able to attain such a depth of contentment as you never before dreamed existed Book jacket **The Rare Jewel of Christian Contentment** Jeremiah Burroughs,1651 What'S Up? Trevor O. Turner,2017-04-28 How do we measure success in life Is it simply by our material possessions and standard of living Do our career professional or business ambitions play a role in our success Or do we rather measure our success by the blessings we receive from God In Whats Up Gateway to Hopeful

Living author Trevor O Turner draws a clear cut line of demarcation between careless living and a decisive approach to success Whats Up encourages you to chart your progress and keep track of your milestones of accomplishment and growth and it asks you to make every minute of your life count for something magical and profitable It also provides synopses of the noble men and women who have paved glorious paths before us people whose lives stand out as beacons of hope and guiding lights to all who follow If you have great aspirations and the ambition and energy to see them fulfilled then Whats Up will help you invest your time wisely and not squander the limited resources you have during your sojourn on the earth By learning to rely on the example of others and on Gods blessings provisions and favor you too can dream a beautiful dream and see it fulfilled in your successes Zion's witness, ed. by A. Wilcockson Arthur Wilcockson, 1866 **Not Peace But a Sword** Stephen Baskerville, 2018-08-21 Not Peace But a Sword provides a case study in religious radicalism as exemplified by the Puritanism of the English Revolution Based on sermons preached to the Long Parliament and other political bodies Stephen Baskerville demonstrates how Puritan religious and political ideas transformed the English Civil War into the world's first great modern revolution To understand why Baskerville analyzes the underlying social changes that gave rise to Puritan radicalism The Puritan intellectuals developed the sermon into a medium that conveyed not only popular political understanding but also a sophisticated political sociology that articulated a new social and political consciousness In the process they challenged the traditional political order and created a new order by appealing to the needs and concerns of a people caught up in the problems of rapid social and economic change The book explores the social psychology behind the rise of Puritanism as the Puritan ministers themselves presented it through textual criticism of their own words placing them in the mental context of their time and offers a new understanding of the link between religious ideas and revolutionary politics
