High Times At Happy Ranch:

High Times at Happy Ranch P.D. Cummins, 2002-05-07 This salty adventure is about the Second Industrial Revolution SIR the industrialization of our learned professions and the family Though in an early quiescent metastatic phase this commercialization of our personal values and relationships is sure to present increasing social problems as it bureaucratizes our lives P D Cummins in this story explores some of the issues involved in this NWO domestic side **Sunset over Happy Farm** Mark Thomas McDonough, 2019-04-17 On the surface Derrick James is a mild mannered socially awkward attorney who works a modest federal government job While Derrick lacks any particular legal acumen or academic prowess and possesses modest legal writing skills everywhere he goes and whatever he does Derrick inevitably and always makes his way to the top of the pyramid Possessing an unflappable mental skill set and seldom suffering fools lightly he accomplishes what needs to be done and he does it superbly well much to the chagrin of his peers In the twilight of his legal career Derrick finds himself working in perhaps one of the most boring brain numbing federal legal jobs one can possibly imagine but it s inside work no heavy lifting and the pay is pretty good too Finally Derrick relaxes satisfied with who he and where he is Life reaches a comfortable working rhyme Both daughters are in college After many down years he is finally setting aside some extra money for retirement Life is good that is right up to the very moment that a group of jealous federal supervisors and co workers ban together forcing him to accept a forced early retirement Now having abundant free time Derrick travels the world begins a get out of debt project and ponders how he got to here In doing all of this he constantly runs into the ghosts of his past most of which is rooted in his ill fated youth spent growing up in a Catholic Orphanage which he facetiously nicknames The Happy Farm Within the realm of his forced retirement and even as life s ghosts taunt him Derrick finds that truth and hindsight are not necessarily friends but with enough time and grit he finds that by accepting his past he can finally accept his present and in doing so he finally says good bye to all the enemies all the friends and all the ghosts that haunt him as the sun sets over The Happy Farm High Times at Happy Ranch Peter C. Dyke, 1998-03-01 Ranch in the Slocan Cole Harris, 2018-05-19 In 1888 a prosperous industrial family in Calne Wiltshire sent one of its younger sons a lad judged to have no head for business to Guelph Agricultural College in Ontario to learn to be a farmer Joseph Colebrook Harris the author s grandfather didn t take to Ontario and after visiting a friend on Salt Spring Island fell in love with BC Eventually fetching up on the shores of the Slocan Lake Joe bought 270 acres of hilly land in the Slocan Valley less than thirty acres of which was really fit for farming and began clearing the forest to build a ranch Here is the story of Harris s life and the next 120 years of the ranch s including the discovery of a silver lead mine on the property a period as a Japanese internment camp brushes with American counterculture and the back to the land movement family conflicts and an uncertain future In detail Ranch in the Slocan is a very particular story but its elements have repeated themselves across Canada Settlers lived within bounded space of which the Harris ranch is an extreme example and adapted to cultural and social changes Drawing from letters

diaries family stories and recollections photographs as well as official records Harris offers a case study in the history of homesteading and a portrait of his family's experiences in the Slocan Valley The Harris ranch produced a little income now and then but was not and never has been a commercial success Its yield was not so much measured by the market as by the more intangible pleasures of living within a diverse local economy in a remarkable place **What's Love Got To Do With It** Debra Clopton,2025-04-21 Life is what you make of it the way you take it good bad or blessed These words from their beloved sister in law Olivia echo in the hearts of the McConnell sisters Dora Kat and Pearl two years after her passing Pearl travels the world as an acclaimed photographer while Kat owns the successful Caf By The Seaside restaurant chain spanning the Texas coast and two Hawaiian Islands Both sisters are using their work and travel to move forward and want their sister Dora to do the same Dora has built a peaceful life as a seashell hunter and souvenir shop owner but still quietly grieving Olivia's loss her world is upended when a new neighbor Harper Hawk Harrison moves in next door to her beach house on the family ranch Hawk has only himself to worry about and a drive to see new places and buy and renovate homes everywhere He has a fantastic eye that sees what a place could be and brings it to its best When he meets Dora in his mind nothing needs to change yet he senses somewhere deep inside she has a secret As life on Star Gazer Island takes unexpected turns Dora finds herself drawn to more than just her beloved seashell creations and moonlit walks by the topaz waters Her carefully guarded heart begins to stir with new possibilities promising adventures she never imagined when she realizes sitting on that rock alone in the moonlight is better with Hawk beside her But can she risk loving and maybe losing Life on Star Gazer Island is about to shine as brilliantly as wet seashells under a midnight moon as the sisters discover that moving forward from loss can lead to unexpected joy *The California Breeders Association Presents the Thoroughbred in California* California Breeders Association,1940 **The Rancher's Second-Chance Bride** Anna St. James,2015-03-20 Two childhood sweethearts torn apart After school one day Josh Stone and Emma Carter pledge their love to one another beneath the old kissing tree Then Josh's life takes a drastic turn when his father dies He must work night and day to save his ranch and has no time for courtship Emma's father sends her to Atlanta to live with her grandmother so she can forget about Josh but she can't True love reunited After five long years Emma finally returns to Cactus Gap When she meets Josh again their time apart fades away and their love still burns strong Can they take up where they left off Will they be able to overcome the obstacles of pride and prejudice to find their happy ever after KEYWORDS sweet romance clean romance inspirational romance Christian romance Texas romance cowboy romance historical historical western romance short story series romance
