Beginners Guide to HIIT Workouts High Intensity Interval Training M. Usman, John Davidson, 2015-06-09 Table of Contents Introduction Chapter 1 How to Use This Book Chapter 2 The Basics of HIIT Chapter 3 Is HIIT The Right Workout for Me Chapter 4 Simple HIIT Workouts Conclusion Author Bio Introduction So you ve tried out various workouts weight loss programs and gym rituals and things are working out all right but you re not seeing results that satisfy you completely That s exactly where a HIIT workout can help you Cast aside the belief that a jog or brisk walk is a good enough daily dose of exercise for you because sure they help but if you want to see real and sustained positive change with your body a toned physique and a slender figure you need to step up the game to a whole new level The most fundamental problem when it comes to weight loss working out and seeing positive change in our bodies is that we often doubt ourselves We hesitate or give up too early before we are able to notice the benefits that exercise can have on our lives You see exercise isn t just about shaping your body It s a workout that affects your physical emotional and mental wellbeing Without regular exercise and without looking after our physical health we may as well kiss all other forms of health goodbye Exercise is proven to be a truly powerful force in terms of fighting off the symptoms and onset of depression Working out can have this beneficial effect on your brain by encouraging the release of serotonin a chemical that can lift our mood and feelings of self appreciation and confidence It is this chemical that forms the basis of our self esteem Regular exercise and working out thoroughly on a daily basis will not only whip your body into shape and mold fatty tissue into lean muscle but it also reduces your risk of developing a manner of nasty health problems in the future You re probably already aware of the growing obesity and heart disease crisis The simple fact is that both of these health complications can be fought off with the successful and determined implementation of regular exercise and fitness training With HIIT workouts in particular your heart and circulatory system are given a real run for their money You will be strengthening your vital organ and improving your heart s ability to cope with stress and pressure both in a physical and

emotional sense Now of course working through a HIIT workout isn't a walk in the park It takes real strength persistence and resilience and is certainly not for the faint hearted If you're up for a real challenge in terms of fitness and working out then you're certainly in the right place This book will provide a guide that walks through the basics of what a HIIT workout is the benefits in terms of physical and mental health the risks and precautions and a number of helpful tips when undergoing a HIIT workout This book will also present a number of simple and quick HIIT workouts and exercise activities that can be carried out at home or in the gym So if you're ready to step up your game and head straight down the path to a stronger leaner and healthier body read on This is the beginning of crafting the body that you're striving for the reflection in the mirror that will make you proud confident and even more optimistic about your health than ever before It all starts here and it all starts now
