**The Highland Outlaw** Heather McCollum, 2019-10-21 Shaw Sinclair chief of the outcast clan of Sinclairs of Caithness in northern Scotland has made a deal with the devil Despite his

strength and lethal skills he needs help specifically from a woman to accomplish his mission to bring a bairn to safety to the coast When he meets the brave and beautiful Alana Campbell at a Samhain Festival he decides she s the one Alana Campbell is ready to show the world she s just as skillful with a sgian dubh as any man Attracting the attention of the brawny chief who coerces her to join him on his journey to the coast of Scotland gives her that very opportunity Sparks flash between them as they re forced to act as husband and wife to accomplish the deadly mission However when secrets threaten to tear them apart they have to decide if their differences outweigh the reality of their feelings Each book in The Campbells series is STANDALONE The Scottish Rogue The Savage Highlander The Wicked Viscount The Highland Outlaw *Blood and Beauty* Rex Koontz, Heather Orr, 2009-12-31 Warfare ritual human sacrifice and the rubber ballgame have been the traditional categories through which scholars have examined organized violence in the artistic and material records of ancient Mesoamerica and Central America This volume expands those traditional categories to include such concerns as gladiatorial like boxing combats investiture rites trophy head taking and display dark shamanism and the subjective pain inherent in acts of violence Each author examines organized violence as a set of practices grounded in cultural understandings even when the violence threatens the limits of those understandings The authors scrutinize the representation of and relationships between different types of organized violence as well as the implications of those activities which can include the unexpected such as violence as a means of determining and curing illness and the use of violence in negotiation strategies **The Highlander's Pirate Lass** Heather McCollum, 2021-08-23 Eliza Wentworth is no lady After the notorious pirate Jandeau murdered her family she vowed to spend the rest of her life at sea saving others She d rather be firing cannons than embroidering pillows or worse bowing to the demands of a husband But when she s stranded on an island off the coast of Scotland now she is the one in need of help And annoyingly that help comes not only from a man but a man she struggles to resist Highlander Beck Macquarie has never met a woman like Eliza He hasn t met many women period thanks to the blasted curse set upon Wolf Isle decades ago To save the clan he needs a wife and bairns and rough around the edges Eliza is anything but wife material She has no intention of staying once she s able to set sail again He should let her go But the desire between them is impossible to ignore When she asks Beck to teach her the ways of the bedroom while she bides her time on his island he can t say no As they learn more about each other though past trauma and secrets resurface Now Eliza must choose between the freedom and comfort of the only life she s ever known and sacrificing it all to save the people she loves including Beck Each book in the Brothers of Wolf Isle series is STANDALONE The Highlander s Unexpected Proposal The Highlander s Pirate Lass The Highlander s Tudor Lass The Highlander s Secret Avenger The Highlander s Untamed Tempest **The Savage Highlander** Heather McCollum, 2018-11-26 1684 Scottish Highlands It s become abundantly clear to Scarlet Worthington that England no longer can offer her anything good With few other options she flees to the wilds of Scotland to help her sister who has created a place where women learn to protect themselves There is something special about the Highlands It

could be the lush rolling hills the clean air the feeling of doing something good or maybe it's the fierce Campbell warrior she's recruited to help Aiden Campbell has spent months recovering from burns he sustained in a fire set by English soldiers Finally he's healed enough to take temporary command of his clan Between the fire and his own ghosts there is no love lost between him and the English So why does he say yes when the new Englishwoman in town asks for his help And why does she have the power to distract him so much When Scarlet's past stalks her all the way to Scotland her nightmares become real and the things Aiden has taught her are put to the test And as Aiden fights the heat of passion that grows between them a different kind of wildfire threatens everything Each book in The Campbells series is STANDALONE The Scottish Rogue The Savage Highlander The Wicked Viscount The Highland Outlaw     *Scotia* ,1911     *The Indian Christ, the Indian King*

Victoria Reifler Bricker,2014-03-07 Victoria Bricker shows that history sometimes rests on mythological foundations and that myth can contain valid historical information Her book which is a highly original critique of postconquest historiography about the Maya challenges major assumptions about the relationship between myth and history implicit in structuralist interpretations The focus of the book is ethnic conflict a theme that pervades Maya folklore and is also well documented historically The book begins with the Spanish conquest of the Maya In chapters on the postconquest history of the Maya five ethnic conflicts are treated in depth the Cancuc revolt of 1712 the Quisteil uprising of 1761 the Totonicapan rebellion of 1820 the Caste War of Yucatan 1847 1901 and the Chamulan uprising in 1869 Analytical chapters consider the relationship between historical events and modern folklore about ethnic conflict Bricker demonstrates that myths and rituals emphasize structure at the expense of temporal and geographical provenience treating events separated by centuries or thousands of miles as equivalent and interchangeable An unexpected result of Bricker's research is the finding that many seemingly aboriginal elements in Maya folklore are actually of postconquest origin and she shows that it is possible to determine precisely when and more important why they become part of myth and ritual Furthermore she finds that the patterning of the accretion of events in folklore over time provides clues to the function or meaning of myth and ritual for the Maya Bricker has made use of many unpublished documents in Spanish English and Maya as well as standard synthetic historical works The appendices contain extensive samples of the oral traditions that are explained by her analysis     *One Nation, Uninsured*

Jill Quadagno,2006-10-09 Every industrial nation in the world guarantees its citizens access to essential health care services every country that is except the United States In fact one in eight Americans a shocking 43 million people do not have any health care insurance at all One Nation Uninsured offers a vividly written history of America's failed efforts to address the health care needs of its citizens Covering the entire twentieth century Jill Quadagno shows how each attempt to enact national health insurance was met with fierce attacks by powerful stakeholders who mobilized their considerable resources to keep the financing of health care out of the government's hands Quadagno describes how at first physicians led the anti reform coalition fearful that government entry would mean government control of the lucrative private health care market

Doctors lobbied legislators influenced elections by giving large campaign contributions to sympathetic candidates and organized grassroots protests conspiring with other like minded groups to defeat reform efforts As the success of Medicare and Medicaid in the mid century led physicians and the AMA to start scaling back their attacks the insurance industry began assuming a leading role against reform that continues to this day One Nation Uninsured offers a sweeping history of the battles over health care It is an invaluable read for anyone who has a stake in the future of America s health care system
