Kindred Souls:

Spirit to Spirit Don Litton, 2021-10-28 The Bible teaches that an unseen world of spirits surrounds us It is both real and powerful We are born with a spirit And because part of our being is eternal there is ever present a spirit Part of this spirit has an intuitiveness nature about it which the scriptures call discernment Whether you consciously use it or not you rely on it to some degree in your everyday life Thus my interest in writing about our Spirit led to Spirit to Spirit *Kindred Souls*

Stephanie Ford, 2017-05-15 Many of us go through our busy lives with many acquaintances but few true close friends Most of our daily conversations focus on the mundane or we barely scratch the surface of what s going on in our friends lives as we try to catch up on the run We weren t meant to travel alone Yet many of us are afraid to reveal our innermost thoughts of being too nosy or not religious enough to commit to spiritual kinships Using the story of Ruth and Naomi as an example Stephanie Ford describes how to overcome the risk and fear of sharing and explains how to be a faithful listener She offers new insights that will empower you to build and nurture soul friendships Through this book you will discover what spiritual friendship is and how it differs from other forms find practical ways to develop and nurture spiritual friendships meet spiritual companions from biblical and Christian history explore the most profound friendship of all friendship with God and learn how it can transform your life *Kindred Souls* is for individuals prayer partners or small groups who want to deepen the friendships they already have and open themselves to new possibilities God offers Let this book guide you as you seek kindred companions to encourage and challenge you on the spiritual journey **Accepting the Psychic Torch** Sylvia

Browne, 2009-10-06 *Accepting the Psychic Torch* is a brand new collection that contains the full text of two of Sylvia s best selling books the landmark *Adventures of a Psychic* which details how a little girl from Kansas City Missouri discovered her gifts and was then led on a decades long journey to ultimately become one of America s most successful clairvoyants and *If You Could See What I See* a handbook on spirituality that is also full of anecdotes from Sylvia s life both before and after she became a world famous medium who spends her time writing lecturing and appearing on TV Yet this collection also contains a special treat an all new volume from Sylvia Titled *Passing the Psychic Torch* it focuses on the incredibly special relationship Sylvia had with her beloved psychic grandmother Ada Coil Drawing on her cherished memories along with Grandma Ada s numerous letters many of which are reprinted in these pages Sylvia gives us a rich portrait of a blessed soul who helped so many She also delves into her own childhood and teenage years as never before as she relates how her dear grandmother not only became her mentor but was indeed the mother she never really had This is the book Sylvia s fans have been begging her to write and it doesn t disappoint **Sacred Companions** David G. Benner, 2009-08-20 We need companions on our

spiritual journey In this inviting guide David G Benner introduces readers to the riches of spiritual friendship and direction explaining what they are and how they are practiced Through prayerful guided attunement to God s activity sacred companions provide care for the soul and Benner models the kind of traveling companion who can move us toward deeper

intimacy with God **Psychosophy** Cora L. V. Scott Richmond,1915 **Adventures of a Psychic** Sylvia

Browne,2010-11-29 In this uniquely fascinating book world renowned psychic Sylvia Browne recounts her aptivating life as a clairvoyant telling of her earliest readings as a young child in Kansas City and of her first contact with Francine her spirit guide In engrossing detail Sylvia tells how her gift has assisted police departments in their search for missing children and dangerous criminals and how her predictions of deaths plane crashes and momentous world events were sometimes heeded or tragically ignored But more than anything else this is the remarkable story of one woman s psychic odyssey for it offers illuminating insight into how we can better understand ourselves and our own psychic abilities **Kindred Souls** Patricia
