abridged edition of the Holy Bible Evangelical Heritage Version EHV will help you see the full picture of God's love and plan of salvation for humanity. The Bible is at its heart the grand and beautiful story of God's love for you. It shows how sin separates you from God and reveals what God has done to restore that broken relationship with you. He sent his Son Jesus to save you and all people from sin. Drawn directly from the EHV text, the accounts in *The Story of God's Love* are presented without chapter or verse numbers for smooth continuous reading. In this book you'll find 250 Bible readings selected from all 66 books of the Bible from Genesis to Revelations including 175 of the most significant Bible stories. Brief summaries at the beginning of each reading section. Prayers at the end of each reading section. 13 Bible history timelines. Six maps of Bible lands. *The Story of God's Love* is great for first-time Bible readers who want a brief summary of the Bible, making it a great resource for veteran Bible readers to go through together with a family member or friend.

Affective intimacies Marjo Kolehmainen, Annukka Lahti, Kinneret Lahad, 2022-07-19. This volume provides a novel platform to re-evaluate the notion of open-ended intimacies through the lens of affect theories. Contributors address the embodied affective and psychic sensorial and embodied aspects of their ongoing intimate entanglements across various timely phenomena. This fascinating collection asks how the study of affect enables us to rethink intimacies, what affect theories can do to the prevailing notion of intimacy, and how they renew and enrich theories of intimacy in a manner which also considers its normative and violent forms. This collection brings together a selection of original chapters which invite readers to rethink such concepts as care, closeness, and connectivity through the notion of affective intimacies. Based on rigorous research, it offers novel insights on a variety of themes from austerity culture to online discussions on regretting motherhood, from anti-ableist notions of health to teletherapies in the era of COVID-19, and from queer intimacies to critiques of empathy. Lively and thought-provoking, this collection contributes to timely topics across the social sciences, representing multiple disciplines from gender studies, sociology, and cultural studies to anthropology and queer studies. By so doing, it advances the value of interdisciplinary perspectives and creative methodologies for understanding affective intimacies.

The Athenaeum, 1901. When True Love Came to China Lynn Pan, 2015-11-01. The Guardian's Best Books of 2015. Most people suppose that the whole world knows what it is to love; that romantic love is universal, quintessentially human. Such a supposition has to be able to meet three challenges. It has to justify its underlying assumption that all cultures mean the same thing by the word love, regardless of language. It has to engage with the scholarly debate on whether or not romantic love was invented in Europe and is uniquely Western. And it must be able to explain why early twentieth-century Chinese writers claimed that they had never known true love or love by modern Western standards. By addressing these three challenges through a literary, historical, philosophical, biographical, and above all comparative approach, this highly original work shows how love's profile in China shifted with the rejection of arranged marriages and concubinage in favour of free individual choice, monogamy, and a Western model of romantic love. This book, Lynn Pan's best to date, adds a wonderful new angle by encouraging us via

comparison to better appreciate how unusual even in some ways exotic a part of the Western past we take for granted as though it were natural actually is While the reader will learn a great deal about Chinese literary and cultural traditions from this book if read with an open mind the Western reader may end up rethinking things about his or her tradition just as deeply Jeffrey N Wasserstrom Chancellor s Professor of History University of California at Irvine Nobody writes about China quite as brilliantly as Lynn Pan who in this new illuminating work on love showcases her trademark erudition entwined with a novelist s sensibility Pan s rare skill makes the book a treat from start to finish a sumptuous deft and moving analysis of China s relationship with love Mishi Saran author of Chasing the Monk s Shadow A Journey in the Footsteps of Xuanzang and The Other Side of Light **Medieval Themes and Forms in A la Recherche Du Temps Perdu** Mary Helen Clark
