Stephen P. King, 2004 It only took eight years in the making but I have finally completed my book on a variety of rapid
recovery and healing techniques that I use in my counselling practice and with athletes Many workshop attendees had asked
that I put these techniques in an easy to follow format with an explanation as to why certain things work the way they do I
believe I have now achieved that goal These methods are helpful for maximising mind body maintenance by clearing fears
phobias addictions obsessions compulsions traumas and all forms of self sabotage They can help optimize all aspects of our
