Rogers,1999 Contemporary documents and classic studies follow Edward s fortunes on the battlefield from failure against the Scots to major military successes in France When Edward III came to the throne of England in 1327 England s military reputation had reached a low ebb The young king s first campaign against the Scots was a complete failure and the next year the shameful peace set the seal on Robert Bruce s

victory in the First Scottish War of Independence Twenty two years later however King Jean II of France and King David II of Scotland were both prisoners in London an English army was camped outside Paris and Edward was widely considered the most skilful warrior in the world Clifford Rogers uses contemporary documents campaign bulletins administrative documents and excerpts from 29 different chronicles to tell the story of the battles sieges and chevauch es that produced this remarkable reversal and the subsequent restoration of French fortunes under Du Guesclin and Charles V The majority of the texts employed have never before been translated into modern English and a number have never been published before in any language Complementing these primary source materials are eight classic articles covering the Scottish Wars the outbreak of the Hundred Years War the recruitment organisation and supply of English armies English strategy and war aims and the war s impact on French society and on the development of Parliament in England Together they provide a complete introduction to the topic Dr CLIFFORD ROGERS teaches at the United States Military Academy at West Point      **King Edward III** ,1891      Year Books of the Reign of King Edward the Third Luke Owen Pike,1896
