## King Of Siam:

*King of Siam Speaks* Mongkut (King of Siam), Seni Pramoj (M. R.), Seni Pramoj (M.R.), Kukrit Pramoj (M.R.), 1959

Mongkut, the King of Siam Abbot Low Moffat, 2019-06-30 This is an engaging real life portrait of one of the great Asian rulers of the nineteenth century who set the course that preserved his country's independence and enabled it to remain the only country in Southeast Asia never to fall under European domination It is not a conventional biography of King Mongkut or a history of his reign rather the author sketches the man in his many facets furnishing a factual outline but applying the color from the King's own writings through which his personality and character shine so clearly and from other contemporary sources Many of these appear in English for the first time As ruler and diplomat as philosopher and scientist as monk and head of a large family Mongkut showed powers of mind and spirit extraordinary in any age As here presented he is even more remarkable than the caricature of him depicted in some recent popular accounts
