achievements of the Regiment integrating newly published research with a detailed account of their activities logistics and equipment in the offensive Gunners in Normandy includes mention of every regiment that served a Roll of Honour and a list of the dead by unit This book presents the definitive record of events assembled from interviews with veterans papers and documents from the Firepower Archives terrain studies personal memoirs war diaries and other official documents Serious students of the battle for Normandy should find this essential reading with comprehensive coverage of the role of the Royal Artillery and much material not published anywhere else including orders of battle the details of targets engaged by the guns and their effectiveness

D-Day 1944 (4) Ken Ford, 2011-03-15 A highly illustrated and detailed study of the Gold and Juno Beaches Landings Operation Overlord the Allied invasion of Normandy was the greatest sea borne military operation in history At the heart of the invasion and key to its success were the landings of British 50th Division on Gold Beach and Canadian 3rd Division on Juno Beach Not only did they provide the vital link between the landings of British 3rd Division on Sword Beach and the Americans to the west on Omaha they would be crucial to the securing of the beachhead and the drive inland to Bayeux and Caen In the fourth D Day volume Ken Ford details the assault that began the liberation of Nazi occupied Europe

The Armoured Campaign in Normandy Stephen Napier, 2015-07-01 Beginning with the D day landings this is a brutally frank appraisal of the planned use and actual results of the deployment of armour by both German and Allied commanders in the major tank battles of the Normandy campaign including operations Epsom Goodwood Cobra and Totalize The Armoured Campaign in Normandy is a critique of Montgomery s plans to seize territory and break out and describes how they failed in the face of German resistance It details the poor planning and mistakes of British senior commanders and how the German Army s convoluted chain of command contributed to their own defeat these were decisions taken which cost the lives of the tank crews of both sides ordered to carry them out Official reports war diaries after action reports letters regimental histories memoirs of generals and recollections of tank men are used to tell the inside story of the campaign from an armour point of view to give a different but detailed perspective of the Normandy campaign from the men who fought in it
