Ophelia and Victorian Visual Culture Kimberly Rhodes, 2017-07-05 Kimberly Rhodes's interdisciplinary book is the first to explore fully the complicated representational history of Shakespeare's Ophelia during the Victorian period In nineteenth century Britain the shape function and representation of women's bodies were typically regulated and interpreted by public and private institutions while emblematic fictional female figures like Ophelia functioned as idealized templates of Victorian womanhood Rhodes examines the widely disseminated representations of Ophelia from works by visual artists and writers to interpretations of her character in contemporary productions of Hamlet revealing her as a nexus of the struggle for the female body's subjugation By considering a broad range of materials including works by Anna Lea Merritt Elizabeth Siddal Dante Gabriel Rossetti and John Everett Millais and paying special attention to images women produced Rhodes illuminates Ophelia as a figure whose importance crossed class and national boundaries Her analysis yields fascinating insights into high and mass culture and enables transnational comparisons that reveal the compelling associations among Ophelia gender roles body image and national identity

A Statistical History of Rugby League - Stephen Kane, 2013-05-31 The Greatest Game of All or Rugby League as it is known to some has given me nearly a half a century of pleasure and a little pain In 1966 at the ripe old age of 6 I was introduced to our game when my Uncle Harry moved into the bedroom I shared with my younger brother in a 2 bedroom fibro joint in Rockdale Dragon Territory Harry was playing lower grades for Jack Gibson's Roosters and went on to play for St George in the 1971 Grand Final against my other front row mate John Sattler and his Rabbitoh's By the age of 9 I had memorized every player in the Big League magazine The game became my obsession Even if I had not been lucky enough to play over 100 games in the best competition in the world arguably in any sport Rugby League was in my blood As a Rothmans Medal winner the official player of the year award in 1983 succeeded by The Dally M Medal I have always been aware of the history of our great game and its effect on society especially in the northern states of Australia Apart from obtaining a Law degree at Sydney University I studied the Politics in Sport while completing my Arts Degree at Macquarie University I believed our game was ahead of sports like baseball gridiron and basketball that relied heavily on statistics to rate their great players Ours is a game of passion made for the blue collar working classman relying on guts and determination not on how many yards and minutes someone makes or plays However as we get older we all like to dig deep into history and see who had the ability and drive to

play even one game in the toughest competition playing the greatest game of all This book does what none other has attempted to do tell a story using numbers and statistics about our great game It is something every player and fan would do well to study Steve Kane the author of this book could be a reincarnation of Stephen Harold Gascoigne better known as Yabba whose statue stands proudly at the Sydney Cricket Ground Yabba was known for his knowledgeable witticisms shouted loudly from The Hill a grassy general admissions area of the SCG A lot like Yabba Kaney can be found every winter Sunday on the hill at Greenfield Park Albury or away in Junee Temora or Wagga cheering his beloved Thunder to victory in the Group 9 Premiership loudly and clearly from 10 am to 5 30pm In his spare time since breaking his back 7 years ago he has collected statistics on players in the NSWRL now known as the NRL dating back to 1908 The first words Kaney said to me was I have very Rugby League Week ever published as he showed me his EELS tattoo You got sin binned once in your career at North Sydney Oval in 1983 or was it 1984 I 12 knew I was in the company of a Rugby League tragic This study of our game will help all of us who love the game and those of us lucky enough to have played it a better insight into the players of the greatest game of all from the top to the bottom Written by Mike Eden who played 110 Games for Manly Easts Parramatta and Gold Coast is Gold Coast Player Number 1 and Won the Dally M award for Player of the Year in 1983 [Planet Evelin](#) Brian Elnakib,2012-05-23 In a white room a girl stands before God As He shows her visions in an hourglass Caroline knows His purpose is to enlighten her with the shocking truth her beautiful world is in danger of total destruction As she stares into the hourglass and watches her beloved planet of Evelin begin to burn before her eyes she suddenly realizes that Evelin is the final front for humanity Not much time is left before God will flip the hourglass and begin the countdown to the end of the world Caroline must save Evelin and the universe before it is too late A spiritual battle begins as Lucifer attempts to carry out his evil plans to destroy humanity His victims include Jamie the wife of a scientist named Nikolas who has transformed Nolen into the most superior country on Evelin After Jamie dies Satan holds her captive and threatens more harm if she does not give him what he needs Meanwhile Nikolas is tortured by a dream where a woman delivers a notepad that lists the ingredients for a secret formula When Nikolas creates the formula in his lab and leaves it in a beaker overnight he has no idea that by morning the mysterious solution will hold the power to affect everything that exists in his universe As the countdown begins an unlikely pair of heroes must partner together to fight in an unforgettable battle between good and evil in order to save their world [The Cambridge Review](#) ,1894 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol [The Wide World Magazine](#) ,1900 *Thomson's Mercantile and Professional Directory, for the States of Delaware, Maryland, Virginia, North Carolina, and the District of Columbia...* ,1851
