*King Death's Garden* Ann Halam,1986      Beyond the Secret Garden Ann Thwaite,2020-08-06 The definitive and revealing biography of the author of *The Secret Garden* Frances Hodgson Burnett s favourite theme in her fiction was the reversal of fortune and she herself knew extremes of poverty and wealth Born in Manchester in 1849 she emigrated with her family to Tennessee because of the financial problems caused by the cotton famine From a young age she published her stories to help the family make ends meet Only after she married did she publish *Little Lord Fauntleroy* that shot her into literary stardom On the surface Frances life was extremely successful hosting regular literary salons in her home and travelling frequently between properties in the UK and America But behind the colourful personal and social life she was a complex and contradictory character She lost both parents by her twenty first birthday Henry James called her the most heavenly of women although avoided her prominent people admired her and there were many friendships as well as an ill advised marriage to a much younger man that ended in heartache Her success was punctuated by periods of depression in one instance brought on by the tragic loss of her eldest son to consumption Ann Thwaite creates a sympathetic but balanced and eye opening biography of the woman who has enchanted numerous generations of children      **The Politics of Dead**

**The Golden Mountain: Marvellous Tales of Rabbi Israel Baal Shem and His Great-Grandson, Rabbi Nachman, Retold from Hebrew, Yiddish and German Sources** Nahman (of

Bratslav), 1932-01-01 When God was about to create Adam a number of souls knowing that all of the souls then living in heaven would share in the sin of created Adam fled to a far place outside the boundaries of heaven and hid themselves in a corner of chaos There they waited until after the first sin was done Only that band of hidden souls escaped the evil touch of Adam's sin And they are the Innocent souls When the Enemy becomes powerful on earth and stretches mountains of black clouds between man's earth and heaven when men become knotted with evil and lose their Godly form then the Almighty goes up to the highest of his regions and seeks out one of his Innocent souls He says to the Innocent soul Go down and purify the earth Such were the souls of Abraham of Isaac and of Jacob such was the soul of Noah such were the souls of the great prophets of the great scribes and of the great rabbis The soul of the Messiah is prince among this band of Innocent souls and when the time of Redemption arrives Messiah himself will come down from the highest of heavens Then the Enemy will disappear forever The soul of Rabbi Israel the Baal Shem Tov was one of that band of innocents who escaped the sin of Eden And this is how he came to be born on earth In a hamlet in the district of Moldau there lived the pious Rabbi Eleazer His wife was a virtuous woman she was the daughter of a pious Jew of the city of Okup Tartars attacked the valleys of Moldau pillaged the villages slaughtered many Jews and carried off others into slavery Rabbi Eleazer was one of those taken captive His wife said I will wait for his return until the end of my days and if he does not return to me in this world I will meet him in the next world In heaven Elijah came to God and said See how the Jews suffer It is time to send an Innocent soul down to earth to sweeten the lives of the Jews God said Not yet For many weeks Eleazer voyaged with the barbarians On land he was forced to carry heavy burdens On sea he was chained to an oar and made to row as a galley slave At last coming to a strange shore the Tartars took the Jew into the city and sold him in the marketplace as a slave He was purchased by the King's Grand Vizier who soon perceived that the slave though of a race unknown to him was a person of unusual intelligence Rabbi Eleazer had kept count of the days When Sabbath came he begged his master to permit him to rest on that day This the Vizier granted and Rabbi Eleazer did not work on Sabbath The only duty of Rabbi Eleazer when he was a slave was to watch for the time when his master the Vizier returned from his audience with the King then Rabbi Eleazer would wash the feet of the Grand

Vizier Thus the slave had a great deal of time to pass Rabbi Eleazer knew by heart the Psalms of David and he passed his days singing the Psalms He was not happy for he felt himself alone away from his people and he prayed God that he might be released to go home to his wife and to live among other Jews At last he could bear his life in the court no longer and he thought of flight One night he crept from his bed and made his way through the halls of the palace until he reached the gate There he saw the guard asleep His naked sword fallen from his hand lay at his side The keys were bound to his girdle Rabbi Eleazer looked at the sword and said to himself To take the keys I must lift the sword and slay the man Instead he returned and remained in captivity One year the King besieged a neighbouring city The city was strong and withstood his attack Then the King did not know what to do he asked of his advisers whether his army should continue to stand in their boats on the river before the walls of the city becoming themselves weaker while they waited for the enemy to weaken or whether he should risk all of his men in a charge upon the walls The Vizier did not know what advice to give and fell therefore into disfavour with the King When the Vizier came home Eleazer saw that he was troubled He began as every day to wash his master s feet The Vizier sighed and said Would that my own task were so simple

**Death in the Iron Age II and in First Isaiah** Christopher B. Hays, 2011 Death is one of the major themes of First Isaiah although it has not generally been recognized as such Images of death are repeatedly used by the prophet and his earliest tradents The book begins by concisely summarizing what is known about death in the Ancient Near East during the Iron Age II covering beliefs and practices in Mesopotamia Egypt Syria Palestine and Judah Israel Incorporating both textual and archeological data Christopher B Hays surveys and analyzes existing scholarly literature on these topics from multiple fields Focusing on the text's meaning for its producers and its initial audiences he describes the ways in which the rhetoric of death functioned in its historical context and offers fresh interpretations of more than a dozen passages in Isa 5-38 He shows how they employ the imagery of death that was part of their cultural contexts and also identifies ways in which they break new creative ground This holistic approach to questions that have attracted much scholarly attention in recent decades produces new insights not only for the interpretation of specific biblical passages but also for the formation of the book of Isaiah and for the history of ancient Near Eastern religions
