Hari Saravanan, 2014-01-01 We can hear Urumula Naganna's drum roll during the rendition of the Sri Akammagaru Kaviya An oral tradition which is as old as the hills is captured in the book Gods Heroes and their Storytellers Do you know the story of how the Madiga community came to inherit the right to skin cattle carcass and produce leather articles How are contemporary Folk Oral Literatures connected to the Ramayana and the Mahabharata There are many such stories and tradition bearers who doggedly go on in spite of the onslaught of the digital media The author here has tried his best in keeping these traditions alive by not only telling the stories but also by living with the story tellers themselves The rich details give us a window to a world which is not only very far away for our everyday mundane existence but also makes us retrospect on what we are missing out Each of the tradition bearers are different and so are their stories and the region to which they belong These are not merely stories but a way of life for these oral narrators who are fast disappearing in today's consumerist landscape The need of the hour is to keep alive

Jejuri Arun Kolatkar, 2005-11-07 A sequence of stunningly simple but haunting poems Jejuri is one of the great books of modern India Jejuri is a site of pilgrimage in author Arun Kolatkar's native state of Maharashtra and Jejuri the poem is the record of a visit to the town a place that is as crassly commercial as it is holy as modern and ruinous as it is ancient and enduring Evoking the town's crowded streets many shrines and mythic history of sages and gods Kolatkar's poem offers a rich description of India while at the same time performing a complex act of devotion For the essence of the poem is a spiritual quest the effort to find the divine trace in a degenerate world Spare comic sorrowful singing Jejuri is the work of a writer with a unique and visionary voice *Maharashtra* Kumar Suresh Singh, B. public **Authority and Meaning in Indian Religions** Julia Leslie, 2017-11-22 This title was first published in 2003 Can a text be used either to validate or to invalidate contemporary understandings Texts may be deemed sacred but sacred to whom Do conflicting understandings matter Is it appropriate to try to offer a resolution For Hindus and non Hindus in India and beyond Valmiki is the poet saint who composed the epic R m ya a Yet for a vocal community of dalits once called untouchables within and outside India Valmiki is God How then does one explain the popular story that he started out as an ignorant and violent bandit attacking and killing travellers for material gain And what happens when these two accounts Valmiki as God and Valmiki as villain are held simultaneously by two different religious groups both contemporary and both vocal This situation came to a head with controversial demonstrations by the Valmiki community in Britain in 2000 giving rise to some searching questions which Julia Leslie now seeks to address **In the Time of Trees and Sorrows** Ann Grodzins Gold, Bhoju Ram Gujar, 2002 A collaborative ethnography that collects ordinary persons recollections of everyday life politics and the environment in Rajasthan from when the state was a kingdom and since independence **Transaction and Hierarchy** Harald Tambs-Lyche, 2017-08-09 In this volume the author challenges a number of widely held cultural stereotypes about India Caste is not as old as Indian civilization itself and current changes are no more radical than in the past for caste has evolved throughout its history It is not a colonial invention nor does it result from weak state control There is no single form of Indian kingship and power relations fundamental as they are for understanding Indian society Nor do Indian villages conform to a single type and caste is as much urban as rural Only in a regional local perspective can we view it as a system Caste does offer space for the individual though in a particular Indian mould and Hinduism does not provide for an integration of castes through ritual In short social organization varies widely in India and cannot provide the key to the specificity of caste This must be sought in the way society is imagined the models of society current in Indian thought Of course as mentioned above there is no single model Brahmins kings and merchants among others have all produced alternative models with themselves at the centre vying for hegemony while facing contesting models held by subalterns Still a hierarchical mode of thought is hegemonic and largely explains why Indians see their social stratification differently from people in the West The volume will be indispensable for scholars of South Asian Sociology and Culture **Hindu-Muslim Syncretic Shrines and Communities** J. J. Roy Burman, 2002 Study with reference to Marathwada India **Gender Relations in Forest Societies in Asia** Govind Kelkar, Dev Nathan, Pierre Walter, 2003-12-06 Extrait de la couverture Of the numerous available studies on forest management in Asia only a few mention the role of women or pay attention to gender relations Even projects are largely designed in terms of households or communities where men are the decision makers and the owners or managers of forests This important volume views gender relations as a crucial factor in the management of land and forests and maintains that the continuing invisibility of women in these areas only compounds poverty shortages and the increased workloads of forest based women Based on fieldwork conducted in several forest societies in China

Thailand India and Malaysia the contributors explore the changes in gender relations within indigenous communities from matrilineal and or gender egalitarian systems to ones where male domination is the norm Religion and Violence in South Asia John Hinnells,Richard King,2007-01-24 Do religions justify and cause violence or are they more appropriately seen as forces for peace and tolerance Featuring contributions from international experts in the field this book explores the debate that has emerged in the context of secular modernity about whether religion is a primary cause of social division conflict and war or whether this is simply a distortion of the true significance of religion and that if properly followed it promotes peace harmony goodwill and social cohesion Focusing on how this debate is played out in the South Asian context the book engages with issues relating to religion and violence in both its classical and contemporary formations The collection is designed to look beyond the stereotypical images and idealized portrayals of the peaceful South Asian religious traditions especially Hindu Buddhist Jain and Sufi which can occlude their own violent histories and to analyze the diverse attitudes towards and manifestations of violence within the major religious traditions of South Asia Divided into three sections the book also discusses globalization and the theoretical issues that inform contemporary discussions of the relationship between religion and violence **Baily's Magazine of Sports and Pastimes ,1878** **Baily's Magazine of Sports & Pastimes ,1878**
