King Twist A Portrait Of Frank Randle

Barry J. Faulk

King Twist A Portrait Of Frank Randle:

King Twist Jeff Nuttall, 2022-04-26 Born in Wigan in 1901 and a childhood friend of George Formby who was later to become his chief rival Frank Randle was one of the greatest music hall comedians of all time His theatre career started in 1916 when he appeared as an acrobatic artist under the name of Arthur Twist It was not until the thirties however that he achieved his greatest popularity and notoriety as a comedian whose wild manic temperament introduced a fresh note of invention into popular entertainment For ten years he ran his own touring company Randle s Scandals playing to enthusiastic audiences all over the country He also made a number of shoe string movies and was the star of Blackpool s most distinguished summer season show During the early fifties his health declined and he died in Blackpool in 1957 Originally published in 1978 Jeff Nuttall s account of Frank Randle is both a portrait of a very very funny man and the story of his own search as he pieced that portrait together by talking to Randle s acquaintances friends colleagues and relations What emerges from his narrative is a beautifully recorded analysis of the ways in which working class values are expressed in popular entertainment and are thus ritualised by it The image Nuttall builds of Randle also allows him to explore the perennial theme of the clown as outsider and with the passing of Randle he acknowledges the passing of a certain naive optimism which Randle so expressively embodied

Beyond a Joke Bruce Dessau, 2011-09-29 Beyond a Joke is a celebration of comedy one of the modern world s most dominant and compelling art forms but it is also the story of comedy s dark side homing in on the scandals that have surrounded some of light entertainment s biggest stars and telling it as it is featuring insight from one who was there at the time While Beyond a Joke explores the extremes of this world it also addresses another question Are comedians naturally dysfunctional or does the stress and pressure of the job make them dysfunctional Ruby Wax once told the author that she had builders in her house who were just as emotionally unstable as most stand up comedians she had worked with But they don t want to go on stage and plead with an audience to love them Bruce Dessau is the only person who could write this book From Russell Brand slashing his chest onstage to Jo Brand trashing a friend s car on the motorway he has heard it all Bruce Dessau knows where the bodies are buried

Because I Tell a Joke or Two Stephen Wagg, 2004-01-14 Because I Tell a Joke or Two explores the complex relationship between comedy and the social differences of class region age gender sexuality ethnicity and nationhood It shows how comedy has been used to sustain challenge and to change power relationships in society The contributors who include Stephen Wagg Mark Simpson Stephen Small Paul Wells and Frances Williams offer readings of comedy genres texts and performers in Britain the United States and Australia The collection also includes an interview with the comedian Jo Brand Topics addressed include women in British comedies such as Butterflies and Fawlty Towers the life and times of Viz from Billy the Fish to the Fat Slags queer readings of Morecambe and Wise the male double act the Marx brothers and Jewish comedy in the United States black radical comedy in Britain The Golden Girls Cheers Friends and American society

Empire.

Celebrity and Excess Martin Francis, 2022-09-22 While now long forgotten King Farouk of Egypt loomed large in British culture in the 1940s and 1950s Farouk was of interest and importance not just to British imperial policy makers but to a wider public that was exposed to his extravagant lifestyle and colourful private life through gossip columns comedy sketches cartoons song lyrics and novels This book explores how the narratives and representations of King Farouk found in British official and popular culture dramatized the retreat from empire the rise of celebrity journalism changing conceptions of masculinity and sexuality ambivalent attitudes towards monarchy postcolonial exile the growth of mass tourism and the post war transition from austerity to abundance By considering diplomatic history in tandem with histories of popular culture and celebrity Francis presents a more holistic understanding of British culture during the era of decolonization The varied cultural and social features of post war Britain and the reconstitution of British identity in the aftermath of empire sexual liberalization Americanization consumer affluence increased interaction with Europe new forms of mass leisure and the emergence of celebrity culture did not take place independently of the dismantling of imperial rule Studying Farouk therefore sheds new light on the multiple and complex ways in which Britain emerged as a postcolonial nation

The Age of the Dream Palace Jeffrey Richards, 2009-12-18 The period between the two world wars is often named the golden age of the cinema in Britain This definitive and entertaining book on the cinema and cinema goers of the era is herewith reissued with a new Introduction Jeffrey Richards described by Philip French as a shrewd critic a compulsive moviegoer and a professional historian tells the absorbing story of the cinema during the decade that produced Alfred Hitchcock's thrillers the musicals of Jessie Matthews and Alexander Korda's epics He examines the role of going to the pictures in people's lives during a tough period when in the sumptuous buildings that housed local cinemas people regularly spent a few pence to purchase ready made dreams watching Gracie Fields Robert Donat and the other stars of the day He scrutinizes the film industry censorship cinema's influence the nature of the star system and its images as well as the films themselves including the visions of Britain British history and society that they created and represented

Handbook of Communication and Aging Research Jon F. Nussbaum, Justine Coupland, 2004-04-12 This second edition of the Handbook of Communication and Aging Research captures the ever changing and expanding domain of aging research Since it was first recognized that there is more to social aging than demography gerontology has needed a communication perspective Like the first edition this handbook sets out to demonstrate that aging is not only an individual process but an interactive one The study of communication can lead to an understanding of what it means to grow old We may age physiologically and chronologically but our social aging how we behave as social actors toward others and even how we align ourselves with or come to understand the signs of difference or change as we age are phenomena achieved primarily through communication experiences Synthesizing the vast amount of research that has been published on communication and aging in numerous international outlets over the last three decades the book's contributors include scholars from North America and the United

Kingdom who are active researchers in the perspectives covered in their particular chapter Many of the chapters work to deny earlier images of aging as involving normative decrement to provide a picture of aging as a process of development involving positive choices and providing new opportunities A recurring theme in many chapters is that of the heterogeneity of the group of people who are variously categorized as older aged elderly or over 65 The contributors review the literature analytically in a way that reveals not only current theoretical and methodological approaches to communication and aging research but also sets the future agenda This handbook will be of great interest to scholars and researchers in gerontology developmental psychology and communication and in this updated edition will continue to play a key role in the study of communication and aging

A National Joke Andy Medhurst, 2007-09-18 Comedy is crucial to how the English see themselves This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century ranging from the Carry On films to the work of Mike Leigh and contemporary sitcoms such as The Royle Family and from George Formby to Alan Bennett and Roy Chubby Brown Relating comic traditions to questions of class gender sexuality and geography A National Joke looks at how comedy is a cultural thermometer taking the temperature of its times It asks why vulgarity has always delighted English audiences why camp is such a strong thread in English humour why class influences what we laugh at and why comedy has been so neglected in most theoretical writing about cultural identity Part history and part polemic it argues that the English urgently need to reflect on who they are who they have been and who they might become and insists that comedy offers a particularly illuminating location for undertaking those reflections

British Cinema and the Second World War Robert Murphy, 2005-08-15 The author provides a decade by decade analysis of every film ever made in Britain about World War II It provides a comprehensive account of how Britain has portrayed the war through films

Realism and Tinsel Robert Murphy, 2003-09-02 First published in 1992 Routledge is an imprint of Taylor Francis an informa company

Idols of the Odeons Andrew Roberts, 2020-04-23 Idols of the Odeons examines British film stardom in the post war era a time when Hollywood movies were increasingly supplanting the Pinewood Elstree studio system The book encompasses the careers of sixteen actors including Stanley Baker Diana Dors Norman Wisdom Hattie Jacques Peter Finch and Peter Sellers Such extremely diverse careers provide the opportunity to explore overlooked films in addition to examining how the term star could apply to a stalwart leading man a Variety comic a self created Vamp and a character actor Above all this is a book that celebrates with idiosyncratic humour and warmth how these actors accomplished much of their best work during the transitional period between the Rank ABPC roster of stars and the US domination of the British film industry

Consumption, Identity and Style Alan Tomlinson, 2006-05-18 First Published in 1990 This is a book about the meaning of our lives as consumers It is about leisure lifestyle and markets in today s consumer culture In 1986 one measure of people s use of time in Britain identified television watching as the major activity for both men and women outside paid employment and sleeping

Family Affairs Mary Abbott, 2003-09-02 The decades

between the close of World War I and the end of the Thatcher era have changed and challenged family life in England dramatically The Depression and World War II shifted priorities and behaviour as did the Welfare State the Pill and Women s Lib later on What threatened a family s respectability in the 1920s is often commonplace today abortion contraception the single parent family or gay relationships Family Affairs explores the secret life of English families from 1920 to 1990 Mary Abbott takes the reader into her subjects homes and hearts and provokes readers to reflect on families past and speculate on families future A product of intense original research of primary and secondary sources this volume is a useful contribution to the history of the family

British Rock Modernism, 1967-1977 Barry J. Faulk, 2016-05-23 British Rock Modernism 1967 1977 explains how the definitive British rock performers of this epoch aimed not at the youthful rebellion for which they are legendary but at a highly self conscious project of commenting on the business in which they were engaged They did so by ironically appropriating the traditional forms of Victorian music hall Faulk focuses on the mid to late 1960s when British rock bands who had already achieved commercial prominence began to aspire to aesthetic distinction The book discusses recordings such as the Beatles Magical Mystery Tour album the Kinks The Village Green Preservation Society and the Sex Pistols Never Mind the Bollocks Here s the Sex Pistols and television films such as the Beatles Magical Mystery Tour and the Rolling Stones Rock and Roll Circus that defined rock s early high art moment Faulk argues that these texts disclose the primary strategies by which British rock groups mostly comprised of young working and lower middle class men made their bid for aesthetic merit by sampling music hall sounds The result was a symbolically charged form whose main purpose was to unsettle the hierarchy that set traditional popular culture above the new medium Rock groups engaged with the music of the past in order both to demonstrate the comparative vitality of the new form and signify rock s new art status compared to earlier British pop music The book historicizes punk rock as a later development of earlier British rock rather than a rupture Unlike earlier groups the Sex Pistols did not appropriate music hall form in an ironic way but the band and their manager Malcolm McLaren were obsessed with the meaning of the past for the present in a distinctly modernist fashion

Aspects of Verbal Humour in English Richard Alexander, 1997 Physical Theatres: A Critical Reader John Keefe, Simon Murray, 2007-11-13 Physical Theatres A Critical Reader is an invaluable resource for students of physically orientated theatre and performance This book aims to trace the roots and development of physicality in theatre by combining practical experience of the field with a strong historical and theoretical underpinning In exploring the histories cross overs and intersections of physical theatres this critical Reader provides six new specially commissioned essays covering each of the book s main themes from technical traditions to contemporary practises discussion of issues such as the foregrounding of the body training and performance processes and the origins of theatre in both play and human cognition a focus on the relationship and tensions between the verbal and the physical in theatre contributions from Augusto Boal Stephen Berkoff tienne Decroux Bertolt Brecht David George J J Rousseau Ana Sanchez Colberg Michael Chekhov Jeff Nuttall Jacques Lecoq

Yoshi Oida Mike Pearson and Aristotle **Old Time Variety** Richard Anthony Baker, 2020-01-31 An illustrated history of good old fashioned entertainment from names like Tessie O Shea George Formby and the early days of Bruce Forsyth Yours As one of the richest sources of diversion for the people of Britain between the end of the First World War and the 1960s the variety theater emerged from the embers of music hall a vulgar and rambunctious entertainment that had held the working classes in thrall since the 1840s Music hall bosses decided they would do better business if a man going to theaters on his own could take his wife and children with him knowing they would see or hear nothing that would scandalize them So variety a gentler less red blooded entertainment was gradually established At the top of the profession were Gracie Fields a peerless singer and comedienne and Max Miller a comic who was renowned for being risqu but who in fact never cracked a dirty joke They were supported by acts that matched the word variety ventriloquists drag artists animal acts acrobats jugglers magicians and many more But the variety theater was constantly under threat first from revue then radio the cinema girlie shows the birth of rock n roll and finally television By the end of the 1950s the variety business seemed to have given up but the recent and extraordinary popularity of talent shows on television has proved the public appetite is still there Variety could be about to start all over again A priceless record of the people who entertained several generations between the wars and for a brief time after WWII thoroughly entertaining Books Monthly Focus on Film ,1979 New Society ,1978

Catalog of Copyright Entries Library of Congress. Copyright Office, 1981 **The Historic Record & AV Collector Quarterly** ,1993 Includes separate unnumbered section Historic record sales section

Unveiling the Magic of Words: A Report on "**King Twist A Portrait Of Frank Randle**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring.
