An Award Winning Challenge to Popular Ideas of the Kingdom According to Scot McKnight kingdom is the biblical term most misused by Christians today It has taken on meanings that are completely at odds with what the Bible says and has become a buzzword for both social justice and redemption In Kingdom Conspiracy McKnight offers a sizzling biblical corrective and a fiercely radical vision for the role of the local church in the kingdom of God Now in paper Praise for Kingdom Conspiracy 2015 Outreach Resources of the Year Award Winner One of Leadership Journal s Best Books for Church Leaders in 2014 This is a must read for church leaders today Publishers Weekly A timely resource for the missional church to reexamine some basic assumptions that impact church practice in the everyday Outreach **Kingdom Come** Allen M. Wakabayashi, 2009-09-20 God is up to something And his plans are far greater than you might imagine Christianity is not merely about isolated individuals going to heaven It s about God transforming the entire world and making things right Sicknesses will be healed sins will be forgiven injustice will be eradicated and all creation will be redeemed But this is not merely a distant future It s happening now through what Jesus came to establish the kingdom of God Allen Wakabayashi reawakens you to the world changing reality of the kingdom of God With clear biblical insight he unpacks what Jesus proclaimed about the good news of the kingdom and spells out the implications for you today Focusing on the kingdom of God will revolutionize how you live out your faith how you think about your world and how you explain the good news about Jesus Ultimately understanding yourself as a citizen of the kingdom will empower you to be one of God s change agents in the world God is at work to restore everything to be the way he intended it to be and you can be a part of what he is doing Get a glimpse of the kingdom coming and experience his will being done on earth as it is in heaven **Revelation** Ben Wilson, 2012-05-09 *Fostering Christian Faith in Schools and Christian Communities Through Igbo Traditional Values* Michael Okoh, 2012 Religious education in Nigeria is in a state of transformation owing to the country s current pluralist nature among other factors In the process concepts of religion and education are revisited and reassessed in order to make them meaningful to mankind in his pluralist world With this book author Michael Okoh inaugurates a fundamental revision He brings traditional African education and values alongside Christian ideals into dialogue with the Western progressive learning approaches paving new ways for religious education activity in Nigeria particularly in Igboland Series Tubingen Prospects on Pastoral Theology and Religious Pedagogics Tubinger Perspektiven zur Pastoraltheologie und Religionspädagogik Vol 45 The Last Days of Dispensationalism Alistair W. Undone by Easter William H. Willimon,2009 Preachers dread the arrival of Easter because these holy days bring the daunting task of finding new ways to tell the old stories everyone's heard so many times before But what if it were only we preachers who are bored with these stories asks Will Willimon What if people keep showing up at Easter because the story of God's victory over death continues to hold power for them What if the point were not to capitulate to the culture's insatiable appetite for novelty but to tell the old stories faithfully trusting in the power of the Spirit to make the text the congregation and yes even the preacher come alive again in the preaching event With Willimon's Undone by Easter pastors can face the prospect of preaching their next Easter sermon with joy and confidence rather than worry about finding something to say

The Holy Spirit and the Renewal of All Things T. David Beck,2007-04-15 This volume explores the shape pneumatology takes when we develop the theology of the Holy Spirit within an eschatological framework that has a universal scope and an unlimited history When we do so we find that pneumatology deriving from questions about what the Spirit does for us needs to give way to pneumatology that derives from questions about how the Spirit can draw us into the saving history of the triune God Kingdom Come (EasyRead Edition) Allen Mitsuo Wakabayashi,2003 **The Scriptures**

Bampton** Samuel Waldegrave (bp. of Carlisle.),1855 The Omega David Henderson,2023-05-15 This book was written foremost because I love studying prophecies of the Bible Bible prophecy feels to me like putting a large puzzle together This book is a study of the book of Revelation but it is more than that There are over three hundred verses in the Old Testament

about Christ's first coming and over five hundred verses about his second coming. There are also many verses in the New Testament about Christ's second coming outside of the book of Revelation. Understanding what will happen in the end times means studying all of the passages about future events. Along with taking a look at the verses about the end times throughout the Bible, I will also discuss various ways people interpret future prophecies. This book is titled *The Omega* because it takes a look at what the end looks like as described by the God who will end it all.
