Barnes,2012-12-17 This pioneering new study of the Black megachurch phenomenon brings nuance and depth to the question Are Black megachurches more focused on prosperity than

on people Black megachurches and their pastors are often accused of failing to use their considerable resources to help the poor focusing on prosperity theology rather than on social justice requiring excessive monetary and time commitments of members and pilfering church coffers for the their personal use The debate rages on about whether these congregations are doing all they can to address specific challenges facing African American communities Live Long and Prosper is a refreshing innovative study that reaches beyond superficial understandings of the Black megachurch phenomenon in a piercing interrogation of how powerful megachurches address or fail to address two social crises in the Black community HIV AIDS and poverty Live Long and Prosper offers an intriguing examination of sixteen representative Black megachurches and explores some of their motivations and subsequent programmatic efforts in light of prosperity or health and wealth theology Professor Barnes makes the case that the Black megachurch is a complex contemporary model of the historic Black church in response to globalism consumerism secularism religious syncretism and the realities of race She contends that many of these megachurches hold unique characteristics of adaptability and innovation that position them well to tackle difficult social issues Prosperity theology emphasizes two characteristics physical health and economic wealth as examples of godly living and faith This book considers whether and how efforts to address HIV AIDS a health issue and poverty a wealth issue are influenced by church and clergy profiles theology in general and prosperity theology in particular Frame analysis informs this mixed methodological study to compare and contrast experiences theological beliefs pastoral profiles and programs Live Long and Prosper is a must read for general readers academics and students alike indeed anyone interested in the contemporary Black megachurch s response to social problems and the link between theology and social action It is at once a fascinating readable narrative and a rich piece of scholarship complete with extensively documented endnotes statistics informative charts and tables and an exhaustive bibliography *A Body of Practical Divinity* Thomas Watson,1734

Mekwunye,2014-08-13 This is the story of a family and how they survived lifes perils Chiwinke the protagonist and the first son of Chimebele was determined to succeed in life by bringing all his brothers to study and succeed in America in order to get his parents permanently out of poverty Despite all the obstacles calamities trials and tribulations that befell him in life he kept his humor until he triumphed with the help of his god **On Asking God Why** Elisabeth Elliot,2006-02 A perceptive insightful and encouraging collection of Elisabeth Elliot s meditations on the things that make us ask Why including everything from birthdays to funerals and divorce **The Coming New World Order** Thomas J. Mueller,2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or

the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don't heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming
