Kingdom Education Glen Schultz,2003-01-01      **Impress Them on Your Children** Charleton D. King,2023-12-19 It was a slow realization over many years that I had been living a divided life as a Christian teaching in the public school system I had no problem teaching at a public school myself but I simultaneously refused to send my children to the same school because I didn't want them exposed to what was taught there The inconsistency was clear in the minds of others when they found out that I homeschooled my children but it took years for it to become clear to me After a decade in teaching I felt convicted to resign This book recounts the several moments and realizations that led up to my decision to leave public education

**Pursuing Excellence for the Glory of God** Keith A. Currivean,2022-01-13 What is education How and why do educators do what we do And in what way can and ought education be distinctively Christian These are a few of the probing questions for which this book seeks answers Among other contributions Currivean's book explores a biblical philosophy of Christian education with unprecedented breadth and depth To accomplish this objective it considers what education is chapter 1 what philosophy of education is chapter 2 and what the ultimate goal of education is chapter 3 Additionally this book provides a never before Christian overview of twelve philosophies of education chapters 4-15 Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy's exemplars Each of those chapters also contributes a constructive Christian critique Chapter 16 highlights a biblical philosophy of Christian education featuring some people some principles and some priorities for a biblical philosophy of Christian education viz pursuing excellence for the glory of God

Applying Kingdom Education? Glen Schultz, 2021-06-11 **The Kingdom Life Approach** Willie Thomas Butler, 2011-10 This book is about the stark contrast between the Kingdom of God and the economic political and social systems we live by every day The world s systems have led us down a primrose path to nowhere encouraging the pursuit of wealth and the so called good life while ignoring the need for a morally based and purpose driven approach to living The Kingdom Life Approach provides viable and alternative strategies to how we conduct our lives to achieve true meaningful prosperity It establishes a purpose for living that is predicated on individual assignments and an emerging church that true believers in Christ are building Christians must change and become emissaries and a perfected church in order for Christ s Kingdom to be seen in the earth How we live and what we pursue in life are transformational values we must demonstrate to the world Choosing to manage our financial affairs the Kingdom way is central to this process Willie Thomas Butler is founder and President of Kingdom Seed Foundation and its educational division The Life Planning Institute With over twenty years in the financial services profession Butler has served as a Certified Financial Planner TM 1986 2001 Registered Investment Adviser and Financial Consultant with Salomon Smith Barney and Merrill Lynch He also served in several Christian organizations as a board member adviser development officer and fundraiser Butler authored his first book True Prosperity in 1997 and

established LPI to provide an educational curriculum combined with practical training in Biblical Stewardship and money management LPI offers courses and workshops promoting a Kingdom approach to life planning for those wanting to serve God using every resource entrusted to them Butler is a graduate of Regent University with a master of arts in public policy and holds a bachelors of science in business management from Adelphi University He is also a graduate of the Institute for Financial Planning in New York

**International Journal of Religious Education** ,1926 *God in Two Minutes* Prem Kamble,2024-12-01 Is God a Myth Like several myths of the pre science and pre mathematics era is god a myth of the pre Mentomatics age As Mathematics explained the laws of the external physical world will a new science called Mentomatics explain the laws of an internal world of our mind and brain Like mathematics became the language of the physical science will Mentomatics be the language of Spiritual science After the industrial and information revolution will Mentomatics usher in the spiritual revolution Will we the believers of god then look as foolish as the people who believed that the earth was flat And that you could fall off the edge of the earth into hell *God in Two Minutes* by Prem Kamble dwells on several such questions It looks at the past and possible future of God and Religion as has never been done before It is based on completely original thoughts not based on anything you have read or heard anywhere before Though consistent with most religions it challenges some of our basic beliefs When our strong beliefs like the flat earth theory have been proved wrong it is possible that some of our deepest faiths today may prove to be myths
