liberalism as Forsyth's foil and using the exegetical analysis of Scripture by G E Ladd Dunn argues that the kingdom of God is not the human driven utopia dreamed of by liberal scholars nor a dystopic disconnected future realm exclusively for ethnic corporate Israel rather the kingdom must be understood as the dominion of Christ's reign over a redeemed people who order their lives according to his gospel Access to the kingdom therefore is open to all who are redeemed by the priestly work of Christ submit to the king's constitution and thereby live according to the prophetic proclamations of kingdom life **My Best for the Kingdom: History and Autobiography of John Lowe Butler, a Mormon Frontiersman** William G. Percy Percy the Dean of Christ Church Oxford and a leading voice in the Anglican Communion is both theologically orthodox yet deeply unconventional While remaining engaged in the scholarly community Percy writes with clarity and passion on topics that range from ecclesiology to music from sexuality to the Trinity from advertising to ministerial training he is a polymath This book is two books in one The first half contains a series of articles written both by church leaders and academics that serve as substantial critical introductions to Percy s thought In the second half the reader gets to hear from Percy himself in a collection of wide ranging material from his corpus While producing a dialectical engagement of some depth as Percy offers written responses to his interlocutors this volume should prove useful for a variety of communities beyond academic circles especially ones engaged with contemporary issues facing ecclesiology churches and the wider Anglican Communion
