## **Kings Equal:**

The King's Equal Katherine Paterson,1994 In order to wear the crown of the kingdom an arrogant young prince must find an equal in his bride Instead he finds someone far better than he      **King's Equal** Katherine Paterson,1996-02-01 In order to wear the crown of the kingdom an arrogant young prince must find an equal in his bride Instead he finds someone far better than he      **King's Equal** Katherine Paterson,1992-01      The Annual Register Edmund Burke,1879 Continuation of the reference work that originated with Robert Dodsley written and published each year which records and analyzes the year s major events developments and trends in Great Britain and throughout the world From the 1920s volumes of The Annual Register took the essential shape in which they have continued ever since opening with the history of Britain then a section on foreign history covering each country or region in turn Following these are the chronicle of events brief retrospectives on the year s cultural and economic developments a short selection of documents and obituaries of eminent persons who died in the year      **American Swineherd** ,1910      *The Wizardwar* Elaine Cunningham,2011-12-27 In the closing installment of the Counselors Kings trilogy Matteo and his companions face old enemies in an explosive final showdown Defeat breeds anger Hatred breeds revenge Once again the counselors of Halrua have beaten back an attack by the wizard Akhlaur And once more the kingdom has been saved from its enemies Their victory comes at a terrible price The aged king is weakened his powers diminished His chief counselor Matteo is torn between his duty and his heart Tzigone the underdog heroine of the battle of Akhlaur s Swamp has been hurled into a dark world from which she may never escape And at the edge of time Akhlaur and his ally Kiva the Magehound plot their final revenge      **The National Poland-China Record** National Poland-China Record Company,1921      **Equal Rights** ,1925      Alexander III, 1249-1286 Norman H. Reid,2019-05-23 Winner of the Saltire Society Scottish History Book of the Year Presiding over an age of relative peace and prosperity Alexander III represented the zenith of Scottish medieval kingship The events which followed his early and unexpected death plunged Scotland into turmoil and into a period of warfare and internal decline which almost brought about the demise of the Scottish state This study fills a serious gap in the historiography of medieval Scotland For many decades even centuries Scotland s medieval kingship has been regarded as a close likeness of the English monarchy having been modernised in that image by the twelfth and thirteenth century kings who had close relationships with their southern counterparts Recent research has cast doubt on that view and this examination of Alexander III s reign is based on a view of Scottish kingship which depends on much firmer continuity with its earlier celtic past It challenges accepted truth revealing that the nature of state and government and the relationships between ruler and subject were quite different from the previous received view On the cusp of a dynastic catastrophe which led to economic and political disaster Alexander III s reign captures a snapshot of Scotland at the end of a period of sustained peace and development a view of the medieval state as it really was      *Honey for a Child's Heart* Gladys Hunt,2010-06-01 A modern classic with over 250 000 copies sold *Honey for a Child s Heart* is a
